TERMS OF SALE

These terms of sale are designed to conform to the Amended Rules for Public Auction Sales in New York City by the Department of Consumer Affairs and the Bylaws of the Professional Numismatists Guild, Inc.

1. This public auction sale is conducted pursuant to these Terms of Sale by licensed and bonded auctioneers, Harvey G. Stack, #0522763 and Lawrence R. Stack, #0798114.

2. **Each bidder, by bidding in the sale, agrees that a 15% BUYER'S CHARGE will be added to the "hammer price" or winning bid of each lot as determined by the auctioneer.** This 15% BUYER'S FEE will be added to the invoice of each successful bidder over and above the actual sum bid or offered. The Buyer's Fee applies regardless of a bidder's affiliation with any group or organization, and is imposed on all bidders. No lots will be delivered or shown at the auction. Auction sales are strictly for cash and must be paid for promptly in U.S. funds. STACK'S reminds you that all bidders personally guarantee prompt payment in full. Checks are permitted with identification acceptable to STACK'S. On any accounts past due, STACK'S reserves the right to extend credit and impose periodic charges as stated in these Terms of Sale or on the invoice or statement. Buyer agrees to pay the reasonable attorney fees and costs required to collect on such past due accounts. All lots delivered in New York State are subject to applicable Sales Tax. Buyer agrees to pay any sales tax, use tax, and any other applicable taxes that now, or hereafter, are found to be due by virtue of the sale, and to indemnify and hold STACK'S harmless for any sales or other taxes due thereunder, including reasonable attorneys fees, costs and any interest or penalties assessed. Buyer shall also pay all shipping and handling charges where applicable.

3. Purchasers claiming exemption from such taxes must submit resale or exemption certificates or other proof of exemption. Out-of-state Purchasers taking delivery in New York must provide an OSR certificate or pay applicable taxes due. All purchasers represent that they are not seeking to acquire goods for personal, family, or household purposes, but are bidding for resale purposes; and those submitting OSR's additionally represent that they are professionals, knowledgeable and fully aware of what they are purchasing, a representation upon which STACK'S relies in agreeing to sell to Purchaser. Buyers picking up lots may be required to confirm this agreement in a separate writing.

4. STACK'S is not responsible for your errors in bidding. PLEASE BID ON THE CORRECT LOT.

5. All persons seeking to bid, whether in person, by an agent or employee, or by mail, must have a catalogue and register to bid. By submitting a bid, whether in person, by mail, or through an employee or agent, the bidder acknowledges receipt of the catalogue, and agrees to adhere to these terms of sale. The auctioneer may decline to recognize any bidder who does not have a catalogue and has not registered and been given a paddle number. Any prospective bidder may be required to establish credit references or submit a deposit of 25% of their bids. All new bidders should be prepared to establish credit with the auctioneer prior to registering to bid.

6. By bidding, purchasing or offering to purchase in this sale, even if as an agent, or on behalf of a corporation or for another individual, each bidder personally guarantees prompt payment and agrees to be personally liable for the consequences of bidding; all bidders also personally guarantee prompt payment in full, including without limitation, BUYER'S FEE, taxes, surcharges, postage, handling charges, storage costs and insurance charges.

7. STACK'S reserves the right to require payment in full before delivering lots to a successful bidder, and reserves the right to require the principals, and directors of any corporate bidder to execute a guarantee of payment (which, in any event they do by having an agent or employee bid in the sale) prior to allowing a bid to be placed or recognized.

8. STACK'S reserves the right to impose a late charge, based solely upon Purchaser's failure to remit full and timely payment, and which late charge is not related to any necessary storage of the material purchased. Said late charge is calculated at a rate of 1½% per month (18% per annum), based on the purchase price if payment has not been made in accordance with these Terms and Conditions of Sale. Purchases not collected within thirty (30) days of the date of sale may, at the sole option of STACK'S, be resold for Purchaser's account by STACK'S, with Purchaser liable for any deficit after STACK'S receives a commission for the same in accordance with its agreement, and thereafter deducts all expenses associated with the sale, including reasonable attorneys fees.

9. Bids are NOT accepted from minors. By bidding in this sale, the bidder represents and certifies that they are of legal age, are authorized to make the bid that they make, and that the purchase is not a consumer sale or consumer credit transaction.

10. **Title remains with STACK'S until paid for in full.** Should Purchaser take any action under Title 11 of the U.S. Code, or any state insolvency law, Buyer agrees to promptly return to STACK'S, any lots not paid for. The Buyer agrees to keep the lots fully insured until paid for. Risk of loss is on the Buyer.

11. The highest bidder as determined in the sole discretion of the auctioneer shall be the Buyer. If the auctioneer determines that a dispute has arisen between two or more bidders, the lot may be immediately put up and sold again. Bidders with whom the dispute previously arose shall be without further recourse for any damages whatsoever.

12. If you bid by mail, **mail your bid sheet early.** Mail bidders agree to and are subject to these terms of sale just as if they were floor bidders.

13. The auctioneer reserves the right to refuse ridiculously low bids, which in the auctioneer's sole discretion, are felt not to have been made in good faith. The auctioneer reserves the right to open the lot at a reasonable price determined solely by the auctioneer. The auctioneer shall also have sole discretion to set initial, and subsequent bidding increments, and to accept, or to decline to accept, challenges to those bidding increments. All bids not in whole dollar amounts may be rounded downward by the auctioneer. The auctioneer may open bidding on any lot by placing a bid on behalf of the Seller, a mail bidder, STACK'S, or another participant in the sale. The auctioneer may bid further on behalf of the Seller up to the amount of the reserve by placing successive or consecutive bids for a lot, or by placing bids in response to other bidders. The auctioneer may bid for his, or its, own account at any auction and may have access to information concerning the lots, and items contained in them, that are not otherwise available to the public. Estimates given are for the general guidance of the bidder and represent the opinion of the auctioneer as to the fair market value of the numismatic item at the time of cataloguing, based on experience and comparable sale, if applica-

ble. The actual price realized may be higher, or lower than the estimate. If a lot is reserved, the reserve may not exceed the maximum estimated price.

14. Auction sales are not approval sales. In the event of non-payment by the Buyer, STACK'S reserves any and all rights that it would be entitled to under the Uniform Commercial Code, including Buyer's consent to file a financing statement without need of Buyer's signature, and to offset any sums due on any future consignment or purchase or monies or goods in possession of STACK'S or its assigns.

15. All bidders are encouraged to carefully examine all lots prior to the sale. No lots will be shown at the sale. STACK'S assumes no risk, liability or responsibility for the material (or other) facts stated concerning the numismatic item, except as specified herein. All floor buyers should acquaint themselves with the property sold since STACK'S will assume that they have done so and requires that the Purchaser represent that they have. Bidders are deemed to have satisfied themselves as to all of the matters set forth in the terms of sale.

16. STACK'S, as agent, offers a LIMITED WARRANTY that any numismatic item sold is authentic (i.e., not counterfeit, that its date or mintmark has not been altered, and that the coin has not been repaired as those terms are used in the trade). Except as set forth in this limited warranty and as may be required by the arts and cultural affairs law, and any other law or regulation, all other warranties of authenticity of authorship, whether express or implied, are hereby disclaimed.

17. Except as otherwise stated herein, all items offered in this catalogue are GUARANTEED TO BE GENUINE and correctly attributed as defined below.

18. (a) NO LOT may be returned for any reason whatsoever without the prior written consent by STACK'S, or, in any event, if it has been removed from its original container. **No lots purchased by those who have viewed the lots may be returned,** unless the limited warranty provided in these terms of sale permits it.
(b) Grading is a subjective description in the opinion of the cataloguer as to the state of preservation, method of strike, and overall appearance of a particular coin or lot. The term "proof" or "specimen" is used to describe a method of manufacture, and is not a grade or condition or an attribution.
(c) STACK'S does not represent that a numismatic item has or has not been cleaned; that any toning is natural or artificial; that any coin catalogued will meet the standards, or the grade, of any third party or third party grading service; that a numismatic item has a particular provenance or pedigree; that a numismatic item is struck or not struck, or produced or not produced in a particular manner or style.
(d) Adjectival descriptions and terminology (which can and does vary among experts and knowledgeable purchasers), when utilized in the catalogue, are strictly the opinion of the cataloguer and shall not be deemed to be part of the description; i.e. it is an opinion only and not a warranty of any kind.
(e) Grading descriptions in this catalogue are provided strictly for the convenience of those who bid by mail and who are unable to personally view the coins, and represents the cataloguer's opinion of its state of preservation. Those attending the sale, and those bidders who actually view the lots should draw their own conclusions as to the state of preservation or grade of the numismatic item.
(f) STACK'S may utilize numerical or adjectival descriptions, and may include lots that have been graded by others. Opinions offered with respect to numismatic properties offered for sale by STACK'S are made at the time that the numismatic item is catalogued, and do not refer to any prior or subsequent time.
(g) Where STACK'S sells a numismatic item graded and encapsulated by a grading service, Buyer acknowledges and agrees that other grading services, STACK'S or knowledgeable purchasers might reach a different conclusion as to the state of preservation of a particular item, and that STACK'S has presented the service's description of the encapsulated item for accommodation only. Any such information provided by STACK'S is the opinion of the third party, without recourse against STACK'S in any way whatsoever.
(h) **Except as otherwise expressly stated in the Terms of Sale, STACK'S and its agents and employees make no warranties or guaranties or representations, and expressly disclaim all warranties and guaranties and representations, including, without limitation, a warranty of merchantability, in connection with any numismatic properties sold by STACK'S.**
(i) All oral and written statements made by STACK'S, are statements of opinion only and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of STACK'S has authority to vary or alter these Terms of Sale. Any alteration shall be effective only if in writing and signed by a member of the firm.
(j) If not so stated expressly, the grade, artisanship, provenance, or attribution is the firm's opinion only on which no third party, including the bidder, is entitled to rely.
(k) STACK'S assumes no risk, liability or responsibility for the material (or other) facts stated concerning the numismatic item, except as specified herein.

19. Unless otherwise stated, STACK'S acts only as agent for a Consignor and makes no independent warranty of title. STACK'S offers the following LIMITED WARRANTY to Buyers with respect to all numismatic items offered for sale. STACK'S warrants to all Buyers that the Consignor or the Seller has warranted good title to property offered for sale. Any such warranty is predicated on the Owner or prior owner making the same warranty to STACK'S, upon which the firm relies. In the event that it is finally determined that the Purchaser has not acquired transferable title, STACK'S shall reimburse the Purchaser (if full payment has already been made) in accordance with these Terms of Sale, and Buyer agrees that this is full compensation for any loss whatsoever, whether actual or otherwise. Tender of the check by STACK'S to Buyer at the address specified on the bid sheet or registration form shall end the obligation of STACK'S to the Buyer, even if the check is not endorsed or cashed. STACK'S and the Consignor make no representations or warranty that the Purchaser acquires any reproduction rights or copyright in property purchased at the sale.

20. STACK'S further expressly disclaims all warranties relating to the grade, condition, identification of the periods or date of coining or manufacture or methods of manufacture of property which is inaccurate, or may be proved inaccurate, by means of scientific process or research which is not generally accepted for use until after the sale.

21. STACK'S reminds the Buyer that the grading or condition of rare coins may have a material effect on the value of the

items purchased; that others may differ with the grading opinions or interpretations of STACK'S; that such difference of opinion (including whether the coin has been cleaned, or is or is not of a particular grade or quality) is not grounds to return an item purchased; and that all sales of items viewed by a Purchaser in advance of a sale, even if the sale is by mail, are final.

22. By purchasing in this sale, Buyer agrees that they shall have no recourse against the Consignor for any reason whatsoever. In the event that a warranty is offered with respect to grade or state of preservation or condition, it shall be a specific warranty, in writing, signed by a member of STACK'S, and shall specify its terms and conditions and duration. If any numismatic item is damaged in its removal from encapsulation, or during its encapsulation, it is at the sole risk of the Purchaser. Because of the fungibility of numismatic items, any item removed from its holder may not be returned for any reason whatsoever.

23. (a) On any claim made by a bidder, STACK'S must be advised in writing sent within seven days after receipt of the material, or the date of the sale, whichever is the later; these dates apply whether or not the Buyer has received the material. The disputed property must be returned to STACK'S in the same condition as sold by STACK'S, in the same holder.

(b) These conditions are binding and absolute unless varied in writing by a principal of STACK'S or if the bylaws, rules or regulations of the Professional Numismatists Guild, Inc., provide for a longer period, or give the Buyer a greater right, in which case such bylaws, rules or regulations shall prevail. Any and all claims of the Buyer made in violation of the Terms of Sale shall be deemed waived, and the Buyer shall be without further recourse.

24. If STACK'S, in its sole discretion, determines that any numismatic property is substantially and materially different from that represented in the catalogue of sale, or in any written advertisement or material, the sale shall be cancelled and STACK'S shall refund the purchase price to the Buyer. Unless provided otherwise in these terms or the PNG bylaws, that shall be STACK'S sole obligation to Buyer.

25. The auctioneer and cataloguer, STACK'S, reserves the right to include its own material in any auction sale. The auctioneer may have direct or indirect interests in these, and other items (other than its commission), and may collect a minimum price in addition to the selling commission. This paragraph shall be deemed a part of the description of all lots contained in the catalogue. The catalogue shall also be deemed a part of any invoice issued by the auctioneer. The auctioneer may make loans or advances to consignors and/or prospective purchasers. The Consignor may be permitted to bid on his, her or their own articles and to buy them back at the sale. Any Buyer who bids on or purchases their own goods is required to pay for them, in full, as the terms of sale provide for together with the full buyer's commission, and any other applicable surcharges, postage, handling, insurance fees and taxes, without rebate of any kind whatsoever, unless provided for otherwise by contract with the auctioneer. The auctioneer reserves the right to make accounting adjustments in lieu of payment. Settlement will follow the auction. The prices realized reflect the final price called by the auctioneer and may include a bid of a consignor reacquiring their lot.

26. STACK'S, the auctioneer, and employees are "insiders" and may have access to confidential information not otherwise available to the public with respect to value, provenance, availability, and other factors. Purchasers should make themselves acquainted with the numismatic items that they are purchasing and avail themselves of the services of outside consultants prior to engaging in any purchase. Bids are so much per LOT. No lots will be broken up unless otherwise stated.

27. No bidder shall have any claim against the auctioneer, or STACK'S, for improper sequence of offering a lot.

28. On bullion items, bullion-like items, and encapsulated items graded by a grading service, Buyer agrees that there shall be no right of return for any reason whatsoever. Buyer further agrees that due to market volatility, in event of non-payment, STACK'S shall be entitled to damages that are the greater of selling price or market, together with any supplementary or additional costs.

29. STACK'S at any time may rescind the sale in the event of non-payment or breach of the warranty of title.

30. The sole remedy that any participant in the auction shall have, whether bidding in person, by mail, or through an employee or agent, for any claim or controversy arising out of the auction shall be a refund of the original purchase price and premium paid, if any. Interest shall be paid by STACK'S at a rate of no greater than nine per cent (9%) per annum, up to a maximum of six (6) years, unless the rules of the Professional Numismatists Guild, Inc. provide for a higher rate of interest or a longer period of time, in which case such rules shall prevail. A lower rate, or shorter period, may be decided by the arbitrators. Upon payment as determined by the arbitrators, or in full at the maximum rates set forth above, or at an agreed rate, STACK'S shall be deemed released from any and all claims of the bidder arising out of or in connection with the sale of such property. Purchaser agrees to execute prior to delivery of any refund any documents reasonably requested to effect the intent of this paragraph. By bidding in this sale, all bidders consent to these terms and all other terms of these conditions of sale.

31. STACK'S hereby disclaims all liability for damages, incidental, consequential or otherwise, arising out of or in connection with the sale of any property by STACK'S to Purchaser. All bidders, even if unsuccessful purchasers, agree to abide by this condition, and all other conditions of sale.

32. All rights granted to the Purchaser under the within terms of sale are personal to the Purchaser. Purchaser may not assign or transfer any of these rights to any other person or entity, whether by operation of law or otherwise. Any attempt so to assign or transfer any such rights shall be absolutely VOID and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Sale and terms of warranty on any bidder or Purchaser.

33. "Purchaser" shall mean the original purchaser of the property from STACK'S and not any subsequent owner or other person who may have or acquire an interest therein. If Purchaser is an agent, the agency must be disclosed at the time of sale, otherwise the benefits of the warranty shall be limited to the agent and not transferable to the undisclosed principal.

34. Should any third party attempt to utilize any warranties contained herein, they shall first give STACK'S thirty (30) days written notice by Registered Mail or Certified Mail Return Receipt Requested during which time STACK'S may,

should it choose to contest the third party's claim, ask the Professional Numismatists Guild, Inc., or the American Arbitration Association to appoint a panel of three arbitrators skilled in the field to make such a determination at New York, N.Y. By seeking to use such remedy, the third party unequivocally and without reservation consents to binding arbitration, and its conclusive and binding determination of any alleged damages as a sole remedy. With respect to any other pertinent notice requirements, venue and personal and subject matter jurisdiction, said third party is bound to the provisions pertaining to bidders, buyers and purchasers, as otherwise provided for in these Terms of Sale.

35. In the event STACK'S shall, for any reason, be unable to deliver the property sought to be purchased, its liability therefore shall be limited to the rescission of the sale and refund of the purchase price and buyer's premium. **STACK'S hereby disclaims all liability for damages, incidental, consequential or otherwise, arising out of its failure to deliver any property purchased, and all bidders agree to this disclaimer.**

36. If it is determined that a bailment relationship exists while the material purchased is being held by STACK'S, for Purchaser, said relationship constitutes a gratuitous bailment only, solely for the benefit of the purchaser/bailor, as defined by the laws of the State of New York.

37. As a condition of bidding, bidder acknowledges that numismatic auction sales are unique in terms of their tradition and industry practices. Each bidder agrees that **any claim or controversy whatsoever arising out of this sale shall be settled as follows:** if demanded by either buyer, or STACK'S by binding arbitration at New York, New York, under the rules then obtaining of the Professional Numismatists Guild, Inc., or as PNG rules may provide, the American Arbitration Association. In the event that a dispute arises between STACK'S and a non-member of the PNG, this means that the American Arbitration Association, at New York, N.Y., shall have exclusive jurisdiction over the controversy. In any controversy concerning non-payment, STACK'S shall have the right to proceed by arbitration or by a proceeding in any court of competent jurisdiction in the City, County, and State of New York, whichever is first commenced by STACK'S. The arbitrator shall not have the power to alter the terms of condition of sale. Judgment on any award may be entered in any court of competent jurisdiction. The arbitrators, and any court, shall award the prevailing party costs and reasonable attorney fees. By bidding in this sale you agree to be bound by the arbitration provisions of the PNG as described above. Commencement of an arbitral proceeding, or confirmation of an award, as well as any notice requirements connected with such proceeding, and any other required service of process, may be made by STACK'S upon all bidders by registered or certified mail directed to the address of the bidder or purchaser as listed on the bid sheet or application or form required at the time that a bidder number is issued, or by facsimile transmission with proof of receipt. Bidder agrees that such service shall constitute full in personam jurisdiction. The venue for such proceedings shall be the City of New York, State of New York and each bidder agrees to in personam (personal) jurisdiction of the City of New York, State of New York. In all cases, the maximum liability of STACK'S for any item sold shall be limited to the official price of record of the item at this sale, without provision for consequential damages, or any other damages of any kind whatsoever, unless the PNG rules provide otherwise.

38. If the Purchaser fails to comply with one or more of these Terms and Conditions of Sale then, in addition to all other remedies which it may have at law or in equity, STACK'S may, at its sole option, either (a) cancel the sale, retaining as liquidated damages all payments made by the Purchaser, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell some or all of the numismatic property and some or all other property of the Purchaser held by STACK'S, in a quantity sufficient in the opinion of STACK'S to satisfy the indebtedness, plus all accrued charges. More than one such sale may take place at the option of STACK'S. Such sale may take place without notice to Purchaser; if STACK'S gives notice, it shall be by regular mail to the address utilized on the bid sheet, consignment agreement or other address known to the firm. Such sale will be at STACK'S standard commission rates at public or private sale, within or without the City of New York, at which time (if the sale be at auction) the defaulting party shall not bid. The proceeds shall be applied first to the satisfaction of any damages occasioned by Purchaser's breach, and then to the payment of any other indebtedness owing to STACK'S, including without limitation, commissions, handling charges, the expenses of both sales, reasonable legal fees and collection agency fees and any other costs or expenses incurred hereunder. If a lot or numismatic item is not paid for, and is sold by STACK'S for Purchaser's account, in accordance with the Uniform Commercial Code, STACK'S shall not be required to account to the Purchaser for any excess proceeds. Purchaser is also liable to STACK'S if the proceeds of such sale or sales is insufficient in the opinion of STACK'S to cover the indebtedness. If other property of Purchaser is also sold, any excess of proceeds will be remitted to the Purchaser after first deducting the expenses set forth above. If Purchaser fails to remit sums due to STACK'S, Purchaser grants to STACK'S a lien with respect to such sum, with interest to accrue thereon at the judgment rate, until actually paid, which lien shall apply against any property of Purchaser, including any future goods of Purchaser coming into possession of STACK'S. **Purchaser hereby waives all the requirements of notice, advertisement and disposition of proceeds required by law, including those set forth in New York lien law, article 9, sections 200-204 inclusive, or any successor statute, with respect to any sale.** Purchaser waives a right to redeem.

39. The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No bidder or prospective bidder or purchaser or prospective purchaser shall have recourse as a result of any postponement. In any event, no person may bid without registering, and ALL REGISTERED BIDDERS including mail bidders and agents by registering or bidding **agree to all of the above Terms and Conditions of Sale.**

40. By bidding or offering to bid, bidders acknowledge that they have read all of the Terms and Conditions of Sale and warranty contained herein and that they accept these terms and conditions without reservation. STACK'S reserves the right to vary the Terms and Conditions of Sale by rider or other means communicated to bidders. By purchasing from STACK'S, whether present in person, or by agent, by written bid, telephone or any other means, the bidder agrees to be bound by these Terms and Conditions of Sale.

MONTGOMERY ISSUE $1,000.00 BOND

*26 **$1,000.00. Montgomery Issue Bond.** Ball 16 (Type 10). Serial Number 260, of 810 examples issued. Fully signed, dated and issued to the Bank of Charleston. Imprint of the American Banknote Company, New Orleans at the bottom. Portrait of Jefferson Davis at center with bold red "1000" protector and Calhoun statue at the left. Signed by Alex. B. Clitherall. An Extremely Fine example which is very slightly aged. The left border is trimmed in slightly as is very typical for this issue.

The Confederate Bond field has always been underrated. The Douglas B. Ball opus on this intricate and fascinating series was a needed shot in the arm for this field and certainly this area of collecting has great potential to "take off." The Montgomery series bonds have always been popular due to their fine engraving, red overprints and rarity. Now that Montgomery issue banknotes of Extremely Fine quality are going for over $10,000, the early bonds (old Criswell Numbers 1-4) remain a tremendous value at a fraction of that lofty level. This specimen would make an excellent foundation for a CSA bond collection or a great accompaniment to a type set of notes, especially so if a Montgomery note is out of question due to its dear price.

EXTREMELY RARE AND UNLISTED COCHITUATE BANK $1,000.00 NOTE

Serial Number 1

Lot No. 42

42 **MASSACHUSETTS. Cochituate Bank. $1,000.00.** Boston. 1851. Classical mythological statue at the upper left, a small train and ship vignette at the right. New England Banknote Company, Boston imprint. This type is **Unlisted** in Haxby. Serial Number 1! An extraordinary note which received some wear and use with thick counting smudges at the right, most likely to check to be sure the note was genuine. Overall Fine or better which is academic. Of the highest rarity and one of the few American obsolete notes of this denomination to actively circulate.

This type was unknown until the "Cochituate Hoard" finally came onto the market ten or so years ago. For quite awhile this mass of upwords of 20,000 pieces "hanged" over the market with nowhere to go. Although the mojority (99%) were common denominations under $20, a few $500 and $1,000 notes of two series were present. There were only a few notes of this type in the group and this is the Number 1 note. The "King" of this hoard and a note thot perhaps won't be fully appreciated for what it is for another few years.

43 ———. **Phoenix Bank. $3.00.** Nantucket. 1827. Phoenix rises from the flame. Contemporary counterfeit plate with Murray, Draper, Fairman & Co. imprint. MA-840 C-22a. A scarce type from a rare bank. Solid Fine or better and sharply printed. From a very well collected area of Massachusetts.

44 **MISSISSIPPI. Columbus & Tombigby Transportation Co. $100.00.** Columbus. 1840. A scarce transportation company note with detailed dock loading scene at the center and a clipper ship on the high seas left. MS-45 G-10. Extremely Fine, but appears Uncirculated at first glance.

45 **NEW JERSEY. Farmers and Mechanics Bank. $5.00.** Camden. 1850's. **Proof** on India paper by Bald, Cousland & Co. with no tint. Children relaxing after a day raking hay at the center. NJ-60 G-8. **Choice.** Stamped on the verso by the American Banknote Company, very faintly and not visible on the face. Premium quality.

46 ———. **Clinton Bank. $5.00.** 1860. Altered plate from the Southern Bank, Bainbridge, GA. NJ-100 A-60. A rare Hunterdon County note. Fine, a bit aged and a small body hole. Genuine notes are virtually unheard of, making this an especially desirable altered bill.

47 ———. **Union Bank at Dover. $1.00.** 1840's. **Proof** on India paper only by Danforth, Underwood & Co. *American Commerce* in Indian garb seated at the center, script "ONE" in gray across the bottom center. NJ-110 G-8. Trimmed in slightly with a small tear by one punch hole cancel. Still bright and overall Extremely Fine. **Very rare** and appears to be from the Western Reserve holdings at one time.

PATERSON ODD DENOMINATION SET

48 ———. **Peoples' Bank of Paterson. $6.00, $7.00, $8.00,** and **$9.00.** Late 1830's. Rare imprint of Casilear, Durand, Burton, & Edmonds. Neatly styled with classical motifs. NJ-438 G-40, 42, 44, and 46. Unissued. All About Uncirculated due to handling with some false fill in on the $6.00 note. Popular and getting quite scarce. 4 pieces.

49 **NEW YORK. Canastota Bank. $20.00.** 1850's. **Proof** on India paper by Bald, Cousland & Co. No tint, which does not obscure the superb vignette work across the note in two sections, split by the bank's title. The engraved scenes are an incredible cross section of rural working life in the 1850's with the definitive realism employed by this firm's engravers. NY-545 G-10 **SENC. Very Choice** and lightly stamped on the verso by the American Banknote Company.

*50 ———. **Bank of Fishkill. $5.00.** Fishkill Village. 1857. A very unusual contemporary counterfeit type with all blue tint and red "FIVE" protector. Mechanics at work at the upper right with the Toppan, Carpenter, Casilear & Co. imprint. Sharp and vivid. Fine to Very Fine. Seriously undervalued in Haxby. These have sold for over $200 in the past when available.

51 ———. **Farmers Bank of Washington Co. $5.00.** Fort Edward. 1850's. **Proof** on India paper only, mounted on thick paper, by Baldwin, Bald, & Cousland, New York. Seated female at center, boy's portrait at the left. NY-865 G-8, but 185_ date. No Tint. **Very Choice** on bright white India paper. 55 ———. **East River Bank. $2.00.** New York City. Late 1850's. **Proof** on India paper by Bald, Cousland & Co. Full orange color tint and "ABC" script monogram. Train at station top center. NY-1570 G-8b. Choice, a short, but professionally closed tear does not detract from the vivid eye appeal of this color proof. Stamped on the verso by the American Banknote Company.

56 ———. **East River Bank. $20.00.** Late 1850's. **Proof** on India paper by Bald, Cousland & Co. Full orange color tint and "ABC" script monogram. Paddle wheeler on the high seas, Jones' portrait left. **Choice,** but a faint foxing spot. Both are stamped on the back of the card by the American Banknote Company. **2** pieces.

58 ———. **Knickerbocker Bank of the City of New York. $5.00.** 1850's. **Proof** on India paper, mounted on original card by Baldwin, Adams & Co. A wonderfully styled note with old Dutch flavor appropriate to the title. Early New York City scene with Father Knickerbocker seated at the lower right, smoking a pipe. NY-1675 G-8 **SENC.** A **Gem,** printed on light cream paper (as opposed to bright white) which adds to its appeal. Stamped on the back of the card by the American Banknote Company.

59 ———. **Marine Bank. $1.00.** New York City. 1862. Fully signed and issued with green outlined protector "ONE" at the bottom center. Steamship on the high seas at the upper right. NY-1710 G-2d. This type is usually seen as a proof, rarely fully signed and issued. Fine.

PA-240 G-4b. **Very Choice; Tioga County Bank. $5.00.** Tioga. 1850's. **Proof** on India paper by Bald, Cousland & Co. Light orange tint. Hay wagon scene at the center. PA-640 G-6a. **Very Choice.** Both are very lightly stamped by the American Banknote Company. A lovely color proof pair. **2** pieces.

62 ***PENNSYLVANIA INDIA PAPER PROOFS FROM THE ABN SALES.*** **Lewisburg Bank. $5.00.** 1850's. **Proof** on India paper by Bald, Cousland & Co. No tint. Lot No. 64

64 ———. **Farmers and Mechanics Bank. $5.00.** Philadelphia. 1840's. **Proof** on India paper by Underwood, Bald, Spencer & Hufty. Female with two cows center, cherubs at work at the right and bold cameo head left. PA-430 Unlisted Type. A superb **Gem** with an especially bold impression highlighting a three dimensional effect at the left cameo portion. Unimprovable for quality and of the finest style.

Philadelphia proofs have always been, traditionally, the most reasonably priced. It is interesting that a rarity such as this (maybe less than 8 known, perhaps as few as 4) can sell at only a small premium above what a Bald, Cousland & Co. proof from the 1850's would go for. Eventually, this gap will widen when collectors discover the true rarity and beauty of these 1840's proofs, which generally were not produced in large quantity.

65 ***EARLY PHILADELPHIA BANKNOTES.*** **Farmers and Mechanics Bank. $20.00.** 1834. Builder working by tree. PA-430 C-44. Fine; **Philadelphia Bank. $5.00.** 1824. Early bank building. PA-485 C-116a. Fine. Both clean notes and scarce. **2** pieces.

Ex Western Reserve Historical Society Collection.

66 ———. **Southwark Bank of Philadelphia. $5.00.** 1850's. **Proof** on India paper by Bald, Cousland & Co., with its original archive book card, but with the India paper loose from it. Superb and deep red tint outlines "V", "FIVE" and "5" protectors. Eagle center with Buchanan left and Penn at the right. PA-495 G-10a. **Perfect Gem.** Not rare as ABN Archive proofs go, but certainly rare in this perfect state.

67 ———. **Pittston Bank. $10.00.** Late 1850's. **Proof** on India paper by Bald, Cousland & Co. Curved titles in the center are flanked in the upper left and lower right corners by superb vignettes of Mine scene and dock workers. PA-560 G-10. Bright white and a **Gem.** NOT stamped on the back by the ABN. Unusual and superior quality for this proof-unimprovable.

68 **RHODE ISLAND. Commercial Bank. $3.00.** Bristol. 1825. Contemporary counterfeit, plate "B" with *Justice* seated, reposed eagle at the right. Scarce and early note. RI-30 C-32. Sharply printed and Very Fine for the issue, there are two deftly replaced corners at the right.

UNUSUAL ALTERED NOTE FROM MICHIGAN AND MAINE PLATES

69 ———. **Traders Bank. $5.00.** Newport. 1845. Three females at center, Franklin left and Lafayette right. Altered plate from the Kensington Bank, Michigan (MI-220 G-8) and the Citizen's Bank, Augusta. Maine. RI-180 A25. *The Haxby Plate Note.* Intact and clear Fine to Very Fine.

Certainly an interesting anomaly to be altered from two different banks' plates. The explanation? Perhaps the Kensington Bank in "wildcat country" Michigan was a fraudulent bank created by the same scoundrels as the Maine Bank. Altered bills are one of the most intriguing areas in American obsolete notes and are much rarer than many would believe.

RARE MANUFACTURERS BANK $3.00 NOTE

70 ———. **Manufacturers Bank. $3.00.** North Providence. 1822. Ornate loom scene with man working. Plate "A" contemporary counterfeit with Murray, Draper, Fairman & Co., imprint. RI-190 C-20. About Fine with a sharply detailed vignette. Rare and very unusual period vignette.

72 **VIRGINIA. Bank of Howardville. $50.00.** 1861. William Sidney Mount corn harvester at the right, deftly redone as a black man, Virginia arms left. Curved titles and green protector tint. Well executed by Wellstood, Hay & Whiting with an ABN monogram. Sharp Very Fine and scarcer than you think.

EXTREMELY RARE AND IMPORTANT BANK OF FOX LAKE, WISCONSIN PROOF NOTE

Lot No. 73

73 **WISCONSIN. Bank of Fox Lake. $1.00.** July 16, 1855. **Proof** on India paper only by Wellstood, Hanks, Hay & Whiting, New York. Ornate style Wisconsin Arms left, portrait at the lower right and an interesting counter at the upper right with an intertwined Indian and woman around an ornate "1." WI-205 G-2. A superb note, bright and clean. Two corners are very professionally restored and there is a closed tear. That's academic compared to the rarity of this wonderful proof.

Certainly a rarity and of wonderful style. This note was once in the Ralph Goldstone holdings during the 1960's which later went West. This note's first public offering was in 1995 at the Roger Durand Territorial sale held by Smythe where 13 Wisconsin proofs brought from $800 to $3,000 a note. Most of those notes went to one collection and are very closely held. A top notch obsolete banknote for the most astute collector.

*81 **MAINE. Bucksport Bank.** Four subject sheet, **$1-$2-$5-$10.** 1854. **Proof** on India paper. No overprints. Nautical vignettes on the last three notes. Another bank whose notes were difficult to obtain prior to the ABN sales. **Choice** with a tight bottom right border. Each note lightly stamped by the ABN.

82 **MICHIGAN. Bank of Washtenaw.** Four subject sheet, **$20-$50-Post Note-$100.** Ann Arbor. 1830's. Unissued sheet by DTL & Co. Scarcest of the Bank's sheets with the high denominations. Extremely Fine due to gutter folds. Bright and attractive.

SUPERB COLOR PROOF SHEET

*87 **PENNSYLVANIA. Bank of Chester Valley.** Four subject sheet, **$10-$20-$50-$100.** Coatesville. Late 1850's. **Proof** on India paper by Bald, Cousland & Co. Full brown-orange tint. Haxby PA-75 G-10a, 12a, 14a and 16a. The last three not known until the ABN sale. A virtually perfect proof sheet, bright and vivid. Each note is lightly stamped by the ABN. Perhaps the last sheet of its kind left uncut from the ABN sale in 1990.

If this sheet had turned up in 1981 it would have sold for $6,000 to $8,000. These color proof sheets represent a tremendous value these days and eventually high quality sheets such as this will be difficult to come by.

88 **SOUTH CAROLINA. State of South Carolina.** Pair of four subject sheets, **$5-$5-$10-$10** and **$20-$20-$50-$50.** Revenue Bond Scrip. March 2, 1872. LARGE SIZE NOTES

LEGAL TENDER NOTES

90 **$1.00. Fr.16.** 1862. No.68338. About Uncirculated. Corner tips are rounded, and light handling is evident. "Tape remnants at margins."

This note, along with a quantity of other $1.00 denomination large size issues in this offering are part of a collection, all of having minor tape remnants as a result of mounting, mostly in the form of small, thin discolored strips measuring about 15mm by 1mm, most apparent at the back margins, often just a single mark at each side margin. To distinguish notes in this consignment we have noted on each lot ***"Traces of tape remnants at margins."*** *Otherwise, notes from this consignment are gorgeous high grade examples.*

91 **$1.00. Fr.16.** 1862. No.88480. Extremely Fine. A pronounced crease near center accompanied by two light quarter folds require close examination to detect. Paper has aged uniformly to a tannish-yellow, though ink register remains bold.

LOVELY 1862 ACE

Lot No. 92

92 **$1.00. Fr.17a.** 1862. No.79102. **Choice Uncirculated.** Wonderful color and crispness. The lower margin is cut slightly into the design, particularly at the left, and the right margin is narrow. Otherwise, this note would be a solid Gem. On the face, both National Bank Note Company and American Bank Note Company designations are engraved above the lower margin lathe work, accompanied by the ABC logo centered inside the right margin. It is a distinctive and somewhat scarce variety, as such.

CHOICE $1.00 "RAINBOW" NOTE

Always one of the most popular types and in constant demand in any grade. ***(SEE COLOR PLATE)***

*100 **$1.00. Fr.29.** 1880. No.Z23528744. **Choice Uncirculated.** Bright white paper. The face left and top margins are somewhat narrow. This signature combination is scarce in such high grade.

101 **$1.00 Fr.30.** 1880. No.Z54306865. A bright white paper note with excellent brown seal color. **Crisp Uncirculated,** but a corner "pinch" at the lower right and a minuscule upper left corner fold. Superior to many "Gem" notes offered for sale these days. A perfect example of this seal type for any high grade set.

102 **$1.00 Fr.36.** 1917. No.A88239325A. **Choice Uncirculated.** Close to Gem, with a few thumb smudges on the face.

106 **$1.00. Fr.39.** 1917. No.T60554319A. **Choice Uncirculated.** Beautifully preserved. The lower margin is cut slightly into the design, otherwise this example would be a pure Gem.

DESIRABLE 1917 LEGAL TENDER CUT SHEET OF FOUR

*107 **$1.00. Fr.39.** 1917. No.N87331713A-1716A. **Choice Uncirculated.** Nicely centered, bright and fresh. Kept from the Gem classification only because each note shows a bit of teller handling. Once fairly common, cut sheets are drying up as dealers disperse individual notes. Here is a wonderful showpiece to represent this signature combination or type. **4** pieces.

108 **$1.00. Fr.39.** 1917. No.M92702207A. About Uncirculated, and virtually Choice. Well centered. Pure white paper, solidly impresses. "Traces of tape remnants at margins."

109 **$1.00. Fr.40.** 1923. Choice About Uncirculated. Lightly bent horizontally through the center. Very attractive.

110 **$1.00. Fr.40.** 1923. No.A66789779B. About Uncirculated, and nearly Choice. There is a single vertical fold to the right of center and a large diagonal handling crease at the left.

111 **$2.00. Fr.41.** 1862. No.70813. Very Fine, or nearly so. Visually appealing and nicely centered. Considerable original crispness remains. A small paper tic at the top margin above Hamilton's portrait and slight traces of paper clip rust keep the body of this note from being flawless.

*112 **$2.00. Fr.48.** 1878. No.A1965690. **Crisp Uncirculated**, and nearly Choice. Fresh appearing, boasting bright paper and bold ink register. The Treasury seal and lathe work at the right are dark red, complimenting bright red serial numbers. The upper margin is trimmed slightly into the design at the left. Quite attractive.

113 **$2.00. Fr.52.** 1880. No.Z23760237. Choice Extremely Fine. Three modest vertical creases. This note appears "new" without close examination. It is a lovely example, featuring the large brown spiked seal.

114 **$2.00. Fr.52.** 1880. No.Z21459706. Fine, or better. The back is somewhat soiled.

115 **$2.00. Fr.60.** 1917. No.E27126479A. **Very Choice Uncirculated.** Virtually pure white paper. Trimmed close at the top margin, though it must be noted that this series characteristically has narrow top and bottom margins.

116 **$2.00. Fr.60.** 1917. No.D97669579-580A. **Crisp Uncirculated.** Light handling, and a bit of discoloration at the lower corners. This pair remains crackling fresh, with a pleasant appearance. **2** pieces.

117 **$5.00. Fr.61a.** 1862. No.2386. Fine, or better. *First Obligation back.* Quite attractive for the grade, with no detracting blemishes or unsightly soiling. Side margins are trimmed close.

OUTSTANDING 1863 $5.00 LEGAL

Lot No. 118

118 **$5.00. Fr.63a.** 1863. No.37584. **Gem Uncirculated.** The paper is pure white, crackling fresh, and virtually unhandled. A bold black face impression and a deep green overprint, with a red seal and serial number, provide a marvelous appearance. Margins are complete all around, the lower margin being particularly wide. Back ink register is equally as bold, and properly centered. It is doubtful that a finer example survives. Worthy of the finest collection.

Freedom stands proudly at the left side of this classic Civil War currency issue, modeled after Thomas Crawford's statue which sits atop the United States Capital in Washington, D.C.

119 **$5.00. Fr.64.** 1869. NEAR GEM 1875 $5.00 LEGAL

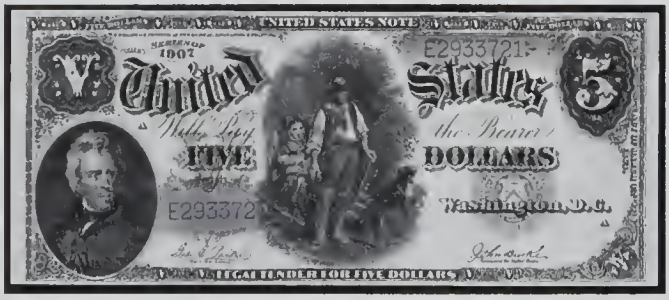
Lot No. 120

120 **$5.00. Fr.68.** 1875. No.B6853405. **Choice Uncirculated.** A borderline Gem, having just a touch of teller handling at the upper right. The 1870's series Legal Tender Notes are identified by intricate floral lathe work at the right, intended to deter counterfeiting. Today, notes of this period offer a unique character and are actively sought. Examples in this superlative state of preservation are elusive. Here is one of a small quantity of this signature combination in close serial number sequence to survive virtually "as printed."

A LOVELY CUT SHEET OF "WOODCHOPPERS"

Sold individually by the lot



Lot No. 121

121 **$5.00. Fr.87.** 1907. No.E2933721. **Choice Uncirculated.** Plate A. A lovely fresh note, as are those following, from the same cut sheet. The face is nicely centered, while the back is close cut at the lower margin. Nevertheless, this beautifully embossed "Woodchopper" is quite a showpiece.

The center vignette is entitled THE PIONEER, engraved by Henry Gugler. This engraving aptly portrayed the frontier citizenry of the time in which these classic large size notes commenced circulation.

122 **$5.00. Fr.87.** 1907. No.E2933722. **Choice Uncirculated.** Plate B. A second impressive example.

123 **$5.00. Fr.87.** 1907. No.E2933723. **Choice Uncirculated.** Plate C. A third example.

124 **$5.00. Fr.87.** 1907. No.E2933724. **Choice Uncirculated.** Plate D. The bottom note from the cut sheet. This note and the above trio are virtually identical in quality and appearance. Any would be a wonderful representative of this type.

125 **$5.00. Fr. 91.** 1907. No.K11869278. **Choice Uncirculated.** Bright white paper and especially bold ink register highlights this note. There is teller handling evident at the right.

126 **$10.00. Fr.113.** 1880. No.A28849815. Very Fine. Appears wetted and pressed at one time, with a bit of discoloration at the back margins.

127 **$10.00. Fr.113.** 1880. No.A26382326. Fine. Soiling typical of the grade, though there are no detracting blemishes.

128 **$10.00. Fr.114.** 1901. No.6230666. Fine. The classic "Bison" note. Attractive and problem-free. A great type note representing the first signature combination of the series.

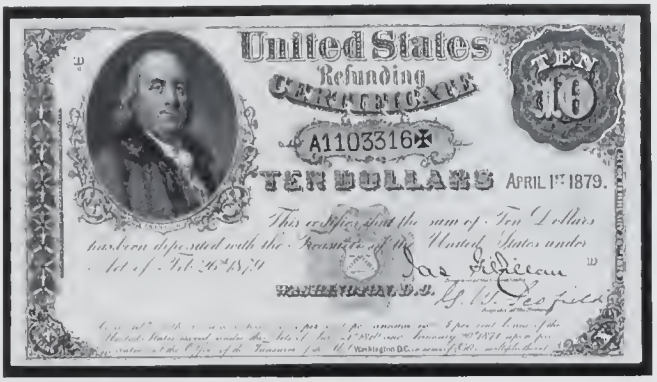
129 **$20.00. Fr.137.** 1880. No.A4802853. Extremely Fine. Possessing full original crispness. This impressive note features a large red spiked seal and blue serial number, which was a relatively short-lived combination.

REFUNDING CERTIFICATES

OUTSTANDING HIGH GRADE REFUNDING CERTIFICATE



Lot No. 130

130 **$10.00. Fr.214.** April 1, 1879. No.A1103316. Choice About Uncirculated. There are no solid creases, merely vertical paper bends at the quarters which do not break the fibers. The note is properly centered and is notable for its absence of blemishes. Treasury records reveal that around 800 examples remain unredeemed, with about a quarter of that amount accounted for today (of some 3,995,425 issued). We are pleased to offer this extremely high grade piece, which ranks comfortably within the top two dozen reported. ***(SEE COLOR PLATE)***

Interest payable on this issue stopped on July 1, 1907, with a redeemable value of $21.30, a figure that the U. S. Treasury continues to honor, should someone choose to offer one for redemption.

SILVER CERTIFICATES

131 **$1.00. Fr.216.** 1886. No.B16732148. **Crisp Uncirculated.** There is a tiny margin tear at the top right, and the right back margin is trimmed nearly into the design. Considered to be one of the scarcer signature-seal combinations of the series.

*132 **$1.00. Fr.217.** 1886. No.B36862218. Choice About Uncirculated. Pleasing natural brightness and original body. An unobtrusive center fold provides this example with the appearance of a "new" note.

133 **$1.00. Fr.217.** 1886. No.B28823196. About Uncirculated, or nearly so. Another. There is a light center fold and center horizontal crease on this specimen. Back centering is poor at the left margin, nearly cutting into the design.

RARE GEM "EDUCATIONAL" $5.00

1896 SILVER CERTIFICATE

Lot No. 152

152 **$5.00. Fr.268.** 1896. No.11936632. **Gem Uncirculated.** Bright, crisp and original. Near perfect centering. It is an impressive example of what many consider to be the ultimate American currency design, featuring allegorical figures representing Electricity as the dominant force in the world. Seldom is this issue obtainable in this superlative condition. ***(SEE COLOR PLATE)***

Ex Stack's, September 1997, lot 30; purchased from Aubrey Bebee, December, 1970.

*153 **$5.00. Fr.268.** 1896. No.6913467. Choice Very Fine. It is a bright, well centered example, with the only blemish being a few small pinholes well concealed in the flowing cape of Electricity, which should not adversely affect the desirability of this example.

*154 **$5.00. Fr.275.** 1899. No.K8610410. Extremely Fine, or nearly so. Lightly folded horizontally, as well as showing a few vertical creases. Bright, fresh, and very attractive. "Oncpapa" notes are in demand in higher circulated grades, such as this.

*155 **$5.00. Fr.282.** 1923. No.A3117294B. Choice Very Fine. The popular "porthole" note, so-called because of the circular frame around Lincoln's portrait. Paper is slightly off-white. The back has a small vertical soil streak to the left, noted merely for the sake of accuracy, as it is trivial. Otherwise, this note has the appearance of a higher grade.

156 **$5.00. Fr.282.** 1923. No.A2644556B. Very Fine, or nearly so. Moderately soiled. There is a tiny tic at the top right quarter, impossible to see on the face, though visible on the back.

157 **$5.00. Fr.282.** 1923. No.A3677964B. Fine, or better. Pressed at one time and showing slight soiling on the face.

158 **$10.00. Fr.303.** 1908. No.B1446681. Very Fine, or thereabouts. Pressed at one time. The top and bottom margins each show tiny nibble marks.

Lot No. 159

159 **$10.00. Fr.304.** 1908. No.D1908451. Extremely Fine. Here is an outstanding high grade example of the classic "tombstone" note. It is bright, fresh, and well centered, possessing merely two or three light vertical folds. Great for type.

160 **$20.00. Fr.322.** 1891. No.H1661374. Very Good. Margins are intact, and there is a small face rust spot on the leg of the allegorical figure representing Industry, to the right of Manning's vignette. Wetted and pressed at one time, this note lacks a crisp feel. Still, it is the scarcer of the two signature combinations having the blue XX at the left face and is desirable for either signature or type.

TREASURY NOTES

161 **$1.00. Fr.347.** 1890. No.A3222973. Choice Very Fine. A lovely example of this rare type, showing only trivial soiling on pure white paper. This note possesses the impressive large brown spiked seal. "Traces of tape remnants at margins."

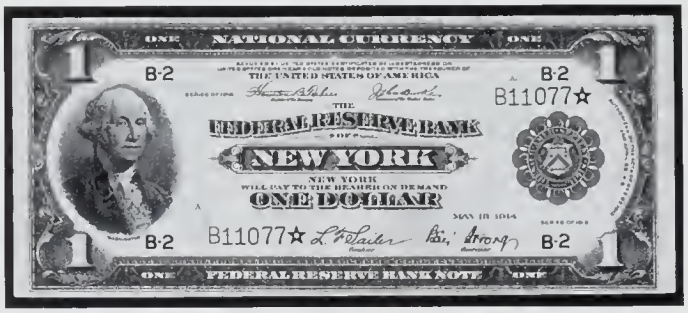
162 **$1.00. Fr.350.** 1891. No.B11772911. Very Fine. Wetted and pressed, which is the possible cause of this note's faded Treasury seal. "Traces of tape remnants at margins."

*163 **$1.00. Fr.351.** 1891. No.41327318. **Gem Uncirculated,** or nearly so. Bright and fresh. Corner tips show slight soiling.

Lot No. 164

164 **$1.00. Fr.352.** 1891. No.B50820514. **Gem Uncirculated.** Pure white paper, with bold ink register. Perfectly preserved. This example is from a small hoard, which today supplies most type collectors.

FEDERAL RESERVE BANK NOTES



Lot No. 165

165 **$1.00. Fr.711★.** 1918. New York. No.B11077★. Choice Very Fine. A scarce star note, with a reported census of approximately a dozen in all grades. Here is a pleasing fresh appearing example, showing as its only blemish a bit of soiling at the back top margin. It has full original crispness, bold ink register, and nice centering.

166 **$1.00. Fr.713.** 1918. New York. No.B88275376A. About Uncirculated. Naturally crisp and attractive. "Traces of tape remnants at margins."

167 **$1.00. Fr.715.** 1918. Philadelphia. No.C3748233A. Choice About Uncirculated. Appears "new" at first glance, though there is a light center fold. Additionally, there is a small lower left corner tip fold.

168 **$1.00. Fr.729.** 1918. Chicago. No.G51245266A. **Very Choice Uncirculated.** A virtual Gem, showing only the most trivial of light handling and a tiny spot of aging at the left margin. It is bright and well centered, with a full crisp feel.

169 **$1.00. Fr.729.** 1918. Chicago. No.G51245268A. **Choice Uncirculated.** A product of the same sheet as the previously offered note. Traces of handling and a bit of discoloration at the lower left corner do not measurably detract from the pleasing appearance of this desirable type note.

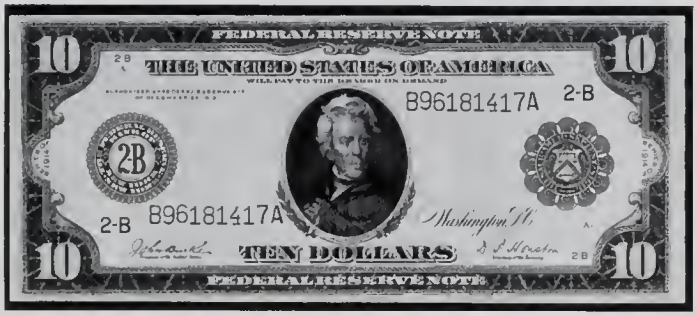
*Illustrated on Page 23

170 **$1.00. Fr.730.** 1918. St. Louis. No.H1356413A. **Crisp Uncirculated.** Strictly "new," showing a bit of aging and top corner tip soiling, as well as faint teller handling at the right. Still, it retains a pleasing appearance and is nearly Choice.

FEDERAL RESERVE NOTES

171 **Pair of scarce $5.00 Federal Reserve Note varieties: Fr.851b.** 1914. No.B68604309D. Fine; **Fr.855c.** 1914. No.C10890504B. Very Fine. Quite attractive, and scarce. **2** pieces.

CHOICE $10.00 FEDERAL RESERVE BANK NOTE



Lot No. 172

172 **$10.00. Fr.910.** 1914. New York. No.B96181417A. **Choice Uncirculated,** and a borderline Gem. Back centering is too high, otherwise this note is flawless.

173 **$100.00. Fr.1084.** 1914. No.A193398A. Fine. Soil smudges at the right. Paper color is a uniform off-white.

*174 **$100.00. Fr.1087.** 1914. No.A679434A. Extremely Fine. Bright and fresh appearing, though close examination reveals rust spots at the right end which have been partially concealed with "white-out."

175 **$100.00 Fr.1089.** 1914. No.B2342469A. Fine. Paper has aged slightly off-white.

176 **$100.00. Fr.1090.** 1914. Fine to Very Fine. Nice notes. One has a light pencil inscription at the back left margin. **2** pieces.

177 **$100.00. Fr.1090.** 1914. Fine, or thereabouts. Both notes show typical soiling for the grade. **2** pieces.

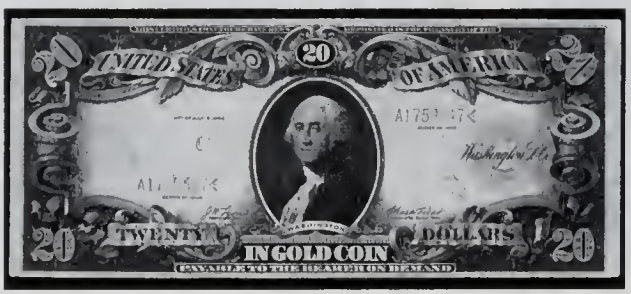
Lot No. 178

178 **$10.00. Fr.1173.** 1922. No.H40987882. **Choice Uncirculated.** There is a light counting mark at the right, otherwise this gorgeous example would be a Gem. This classic Gold Certificate has a bright orange back, in addition to the orange seal and serial numbers. The flashy appearance contributes to its desirability.

179 **$10.00. Fr.1173.** 1922. No.H73115793. Choice Very Fine. An attractive example. This popular type note is highlighted by a bold orange back design.

180 **$10.00. Fr.1173.** 1922. H66085940. Fine. Moderately circulated, with no noteworthy problems. Close cut at the top margin.

POPULAR TECHNICOLOR GOLD NOTE



Lot No. 181

181 **$20.00. Fr.1180.** 1905. No.A1759547. Fine. Much natural crisp feel remains. The face retains bold ink register framing a pale yellow background, with the red serial numbers and seal providing a lovely appearance. The full orange back engraving has faded a bit. This is the so-called "Technicolor" note, so named because of its unusual varicty of color.

182 **$20.00. Fr.1187.** 1922. No.K33931531. Extremely Fine. With a few vertical creases. Bright, boldly impressed and problem-free, with full original crispness.

*184 **$100.00. Fr.1215.** 1922. No.1970546. Fine. Attractive for the grade, with no margin blemishes. The center of the note has a few unobtrusive pin holes.

187 **FLORIDA.** ***THE ATLANTIC NB OF JACKSONVILLE.*** Ch.6888. **$5.00. Fr.1800-1.** 1929. Very Fine. Not a scarce bank, but quite desirable as a representative of the somewhat scarce State of Florida.

*190 ———. ***THE FIRST NB OF FREDERICKSBURG.*** Ch.10541. **$5.00. Fr.605.** 1902 PB. Choice About Uncirculated, or better. Bold purple pen signatures show a bit of bleed-through. This bright, fresh note shows no sign of a vertical crease, merely handling at the right and a soft horizontal fold which does not break the fiber. It maintains a "new" look. This was the only note issuing bank in Fredericksburg.

*191 ———. ***THE PEOPLES NB OF INDEPENDENCE.*** Ch.2187. **$10.00. Fr.631.** 1902 PB. **Gem Uncirculated,** or nearly so. Superb fresh color and feel, with full margins all around and no handling. The President's signature is faded slightly, characteristic of this hoard note, resulting in our "judgement call" Gem assessment. It is doubtful that a better one exists.

192 ———. ***THE FNB OF RED OAK.*** Ch.2130. **$20.00. Fr.1802-1.** 1929. Very Fine. Low Serial #8. It is a nice example, showing only light soiling. The right margin is cut a bit close.

WONDERFUL $20.00 TYPE I NOTE FROM NEWMAN GROVE

Lot No. 197

197 **NEBRASKA.** ***THE FIRST NB OF NEWMAN GROVE.*** Ch.5282. **$20.00. Fr.1802-1.** 1929. No.D000012A. About Uncirculated. Small lower corner tip folds and light handling characterize this note. A rare Eastern Iowa bank, a mere 86 sheets of Type I $20.00 notes were issued, as well as remarkably small quantities of $5.00 and $10.00 notes representing both types, and a small $20.00 Type II emission. Today, fewer than ten small size notes are reported. This beautifully preserved $20.00 Type I is, no doubt, at the forefront of those small size survivors.

A NICE SELECTION OF NEW JERSEY NATIONALS

198 **NEW JERSEY.** ***THE FIRST NB OF ALLENDALE.*** Ch.12706. **$5.00. Fr.1800-2.** 1929. Fine, or thereabouts. Only small size notes were printed. Today, *around a dozen are reported to have survived.* Here is a pleasing circulated example.

201 ———. ***THE FNB OF BELLEVILLE.*** Ch.8382. **$10.00. Fr.1801-1.** 1929; ***THE FNB OF JERSEY CITY.*** Ch.374. **$10.00. Fr.1801-2.** 1929; ***THE FNB AND TRUST COMPANY OF MONTCLAIR.*** Ch.9339. **$10.00. Fr.1801-1.** 1929. Each note grades an attractive Very Good. **3** pieces.

*202 ———. ***THE BERGENFIELD NB.*** Ch.11368. **$5.00. Fr.606.** 1902 PB. Fine, or better. *First title.* The note has been pressed, and the signatures are light, though soiling is minimal. This bank issued only $5.00 notes, both large and small size. All are rare today.

203 ———. ***THE FARMERS AND MERCHANTS NB OF BRIDGETON.*** Ch.9498. **$10.00. Fr.626.** 1902 PB. Fine. Attractive, with bold pen signatures. This desirable bank issued only Series of 1902 Date Back and Plain Back notes. A mere *seven notes are reported to survive.* It is an important Southern New Jersey note.

204 ———. ***CLOSTER NB AND TRUST COMPANY.*** Ch.8394. **$5.00. Fr.1800-1.** 1929. Fine. Close cut at the right face margin. *Only around a dozen are reported to exist.*

205 ———. ***THE LIBERTY NB OF GUTTENBERG.*** Ch.12806. **$20.00. Fr.1802-1.** 1929. Very Good, or better. This note has been pressed, and the back is moderately soiled. Scarce as a bank, with a comparatively low output of $20.00 notes.

Lot No. 206

206 ———. ***THE FIRST NB OF HIGH BRIDGE.*** Ch.5333. **$10.00. Fr.633.** 1902 PB. Choice Very Fine. With the bright, fresh appearance of a higher grade. Large size outstanding in 1935 was just $1,560. This interesting note has double pen written signatures of bank President Percival Chrystie. It appears that his pen "skipped" the first time, so he promptly signed the note a second time.

207 ———. ***THE PEOPLE'S NB OF KEYPORT.*** Ch.4147. **$10.00. Fr.1801-1.** 1929. Fine. Scarce. *Fewer than a dozen notes have been reported* on this bank and town.

208 ———. ***LIVINGSTON NB.*** Ch.13129. **$10.00. Fr.1801-1.** 1929. Fine. The issue was relatively small, comprising only $5.00 and $10.00 notes of both types. Kelly reports a *dozen examples reported.* A bit conservative, though this note is scarce, nonetheless.

209 ———. ***THE FIRST NATIONAL BANK OF MILLTOWN.*** Ch.10935. **$10.00. Fr.1808-1.** 1929. Very Fine. A pleasing problem-free example. The $10.00 Type 1 had a low emission, and is especially desirable as such. *Only around a dozen notes are reported on this bank.*

210 ———. ***THE FIRST NB AND TRUST COMPANY OF MONTCLAIR.*** Ch.9339. **$5.00. Fr.600.** 1902 PB. Choice Extremely Fine. *Second title.* Only light creases at the quarters intrude upon this note. Paper has full body and retains its naturally pure white "look." Signatures are bold and centering is close to perfect. This note has seen little, if any, actual use in commerce and is a wonderful example. Of fewer than a dozen large size reported using this title, it certainly ranks high in the condition census.

211 ———. ***THE FIRST NB OF PLAINFIELD.*** Ch. 447. **$10.00. Fr.479.** 1882 BB. Fine, or better. A lovely original note, with good color and bold signatures. Scarce as the Brown Back type.

*212 ———. ***THE WEST ENGLEWOOD NB.*** Ch.12402. **$5.00. Fr.609.** 1902 PB. Very Good, or nearly so. Signatures are weak, but legible. Body is worn away, and soiling is about as expected for a note of this grade. Margins are intact, having only a few tiny tics which are not a deterrent to its appearance or desirability. *Fewer than 10 large size notes are reported to survive.*

213 ———. ***THE WEST ENGLEWOOD NB.*** Ch.12402. **$5.00. Fr.1800-2.** 1929. Very Fine. A pleasing higher grade example. This bank only issued the $5.00 denomination, and is one of the few banks to limit their emission to such.

214 **NEW YORK.** ***THE NB OF BAYSIDE IN NEW YORK.*** Ch.13334. **$10.00. Fr.1801-1.** 1929. Very Fine. *First title.* Quite a scarce Queens located bank, *with fewer than 10 notes reported* bearing the first title.

216 ———. ***THE NASSAU NB OF BROOKLYN.*** Ch.658. **$10.00. Fr.624.** 1902 PB. Fine, or nearly so. Pressed, and now a bit faded. The face surface has been harshly rubbed over the bank title to remove soil, though signatures and all features remain strong.

217 ———. ***THE PEOPLES NB OF BROOKLYN IN NEW YORK.*** Ch.9219. **$5.00. Fr.1800-2.** 1929 T-2. Fine or slightly better; **$10.00. Fr.1801-2.** Very Fine, bright and attractive. Excellent Type 2 pair from this Brooklyn establishment. **2** pieces.

220 ———. ***THE CHASE NB OF NEW YORK.*** Ch.2370. **$10.00. Fr.488.** 1882 BB. Fine to Very Fine. A pleasing example, showing only trivial soiling. Signatures of bank officials are clear. This note features the scarce Tillman-Roberts Treasury signature combination.

221 ———. ***THE CHASE NB OF THE CITY OF NEW YORK.*** Ch.2370. **$10.00. Fr.1801-1**; **$10.00. Fr.1801-2**; **$20.00. Fr.1802-1.** 1929. Grading Very Good, Extremely Fine, and Fine, respectively. **3** pieces.

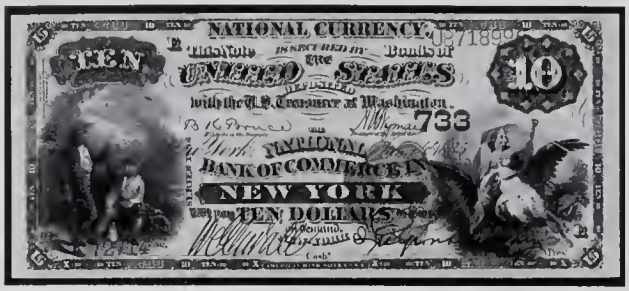
IMPRESSIVE NB OF COMMERCE $10.00 1882 BROWN BACK WITH THE SIGNATURE OF J. P. MORGAN



Lot No. 224

224 ———. ***THE NB OF COMMERCE IN NEW YORK.*** Ch.733. **$10.00. Fr.480.** 1882 BB. **Choice Uncirculated.** Bright white paper and bold ink register accompany solid pen signatures of bank officials as done by machine, including *J. Pierpont Morgan* as President. Quality is outstanding, and nearly at the Gem level, discouraged only by trivial teller handling at the right and a slightly close back top margin. Unlike many that appear faded or "washed out," the intricate large blue charter number centered on the back is bold and bright. One of the finest obtainable. ***(SEE COLOR PLATE)***

This face design also appears in a similar format on the First Charter Period notes, and provides the earliest reference on America's currency to the importance of Electricity. At the left is Franklin conducting his famous experiment drawing lightning to a key attached to a kite. An intricate allegorical figure of Liberty, soaring with an eagle, lightning rod in hand is at the right.

225 ———. ***THE NATIONAL PARK BANK OF NEW YORK.*** Ch.891. **$50.00. Fr.667.** 1902 DB. Very Fine. Nice for the grade, with bold pen signatures, excellent original body, and virtually no soiling. It is a great representative of this higher denomination type, in spite of its lower margin, which is cut slightly into the face lathe work, though clear of the back engraving.

226 ———. ***THE MERCHANTS NB OF POUGHKEEPSIE.*** Ch.1380. **$10.00. Fr.482.** 1882 BB. Good. *First title.* Stained at the top left, with additional scattered rust spots. Signatures are faded, and there are a few small pinholes. However, there are no mentionable tears, only a trivial bit of fraying at the top margin. *Fewer than 10 large size notes are reported on this bank.*

227 ———. ***THE SUFFERN NB AND TRUST COMPANY.*** Ch.5846. **$10.00. Fr.1801-2.** 1929. Very Good. This is the only note issuing Suffern bank, located in desirable Rockland County. *Fewer than two dozen notes have been reported.*

*228 ———. ***THE WALLKILL NB.*** Ch.10155. **$10.00. Fr.1801-2.** 1929. Very Fine. A scarce note with a relatively low small size emission. *Fewer than a dozen notes reported on this*, the only note issuing bank in town. This example has dabs of "white-out" concealing slight back discoloration, though it maintains an attractive overall appearance.

*Illustrated on Page 29

229 ———. ***THE FIRST NB OF YONKERS.*** Ch.653. **$10.00. Fr.624.** 1902 PB. Fine, or better. A pleasing example, offering bold signatures and complete margins all around. The back right has a touch of soiling, though this is trivial.

230 **NORTH CAROLINA.** ***THE FIRST NB OF MARION.*** Ch.6095. **$10.00. Fr.634.** 1902 PB. Very Fine. Faded signatures and areas of pinkish discoloration. Probably lightly wetted and pressed at some time. Series of 1902 notes on this bank were limited to $10.00 and $20.00 denominations, which only a few exist today. Even with its minor defects, this is an important offering for the North Carolina specialist.

Lot No. 231

231 ———. ***THE MURCHISON NB OF WILMINGTON.*** Ch.5182. **$10.00. Fr.576.** 1882 VB. Very Fine, or nearly so. Quite attractive, with intact margins all around, though closely cut at the bottom, intruding slightly into the design at the lower left face and the corresponding back position. Signatures are faded a bit, but legible. Overall this note's appearance is bright, with minimal soiling and solid ink register. Very desirable as the elusive **Value Back** type.

232 **NORTH DAKOTA.** ***THE FIRST NB OF CARSON.*** Ch.13454. **$5.00. Fr.1800-1.** 1929. Very Fine, or nearly so. Nicely centered, with minimal soiling, although there is a trace of discoloration on the face above the bank Cashier's printed signature. Trivial, and mentioned merely for the sake of identification. This bank issued only small size notes, and singles are scarce.

A NICE COLLECTION OF OHIO NATIONALS

233 **OHIO.** ***BRIDGEPORT NB.*** Ch.6624. **$5.00. Fr.590.** 1902 DB. Very Fine. Signatures are light, though legible, and the lower right corner is a bit soiled. The top right margin is close cut. Kelly reports *a dozen known large size notes on this bank.* This example is desirable as the scarcer Date Back type.

234 ———. ***THE FIRST NB OF CHILLICOTHE.*** Ch.128. **$20.00. Fr.650.** 1902 PB. Very Fine, or nearly so. Light signatures, and the back is heavily soiled horizontally; ***THE FIFTH-THIRD NB OF CINCINNATI.*** Ch.20. **$20.00. Fr.644.** 1902 DB. Very Good. Moderately soiled; ***THE FARMERS NB OF SALEM.*** Ch.973. **$10.00. Fr.624.** 1902 PB. Fine, or better. Moderately soiled at the left face. **3** pieces.

*236 ———. ***THE FIRST NB OF CINCINNATI.*** Ch.24. **$10.00. Fr.613.** 1902 RS. Very Fine. *Scarce Red Seal type.* Much original body remains. It is bright and attractive, with minimal soiling. There is a 1mm tear centered at the right margin. Otherwise this note would be Choice.

237 ———. ***THE FIRST NB OF CINCINNATI.*** Ch.24. **$10.00. Fr.616.** 1902 DB. Very Good. Moderately soiled; ***THE FOURTH NB OF CINCINNATI.*** Ch.93. **$5.00. Fr.590.** 1902 DB. Very Good; ***THE SECOND NB OF CINCINNATI.*** Ch. 32. **$10.00. Fr.635.** 1902 PB. Very Fine. Slight back soiling. **3** pieces.

Bold ink register, bright white paper and proper centering characterize this popular note. Bank signatures are bold. The "Brotherhood" bank has the distinction of having the longest title of any national bank note, and is made even more desirable as a railroad topical note.

239 ———. ***CENTRAL NB SAVING AND TRUST COMPANY OF CLEVELAND.*** Ch.4318. **$5.00. Fr.601.** 1902 PB. Fine, or better; ***MINERS NB OF WILKES-BARRE.*** Ch.13852. **$10.00. Fr.1801-2.** 1929. Very Good. **4** pieces.

277 ———. ***THE WARREN NB.*** Ch.4879. **$5.00. Fr.603.** 1902 PB. Very Fine. *The desirable Napier-Thompson signature combination.* Excellent color and crispness, with only a few light folds and some well concealed pinholes. This bank isn't particularly scarce, though large size notes in this lovely condition are not easy to locate.

278 ———. ***THE CITIZENS NB OF WAYNESBORO.*** Ch.5832. **$5.00. Fr.607.** 1902 PB. About Uncirculated, or nearly so. Close trimmed at the lower face margin, with a horizontal sliver of the above note from the sheet showing at the top margin. This example does not have the 'E' for "Eastern" designation located by the charter number; **$5.00. Fr.607.** 1902 PB. Fine, or better. With 'E' designated by the charter number. Both notes are attractive for their grade. **2** pieces.

Area designations were printed on Series of 1902 notes from March 17, 1902 until March 14, 1924, as a method of sorting. After which time more efficient sorting procedures rendered the geographical letter unnecessary.

279 ———. ***THE FIRST NB OF WILKES BARRE.*** Ch.30. **$10.00. Fr.616.** 1902 DB. Very Good, or better; ***THE SECOND NB OF WILKES BARRE.*** Ch.104. **$5.00. Fr.598.** 1902 PB. Fine; **$10.00. Fr.624.** 1902 PB. Very Fine. **3** pieces.

*280 ———. ***THE CENTRAL NB OF WILKINSBURG.*** Ch.5265. **$10.00. Fr.633.** 1902 PB. Very Good to Fine. Some crispness remains. Signatures are faded, and the top margin is trimmed too close, while the back is moderately soiled. Still, this bank has a *reported population of fewer than a half dozen large size notes* and is regarded as the rarest of the Wilkinsburg note issuing national banks, closing its doors in 1930. Here is a wonderful opportunity.

281 **Trio of desirable York, Pennsylvania notes:** ***THE FIRST NB OF YORK.*** Ch.197. **$10.00. Fr.624.** 1902 PB. Very Fine; ***THE YORK COUNTY NB.*** Ch.694. **$5.00. Fr.598.** 1902 PB. Very Good, or better; **$10.00. Fr.624.** 1902 PB. Fine. Ink writing on back. **3** pieces.

RARE FORT MILL $20.00 SMALL SIZE NOTE

Lot No. 283

283 **SOUTH CAROLINA.** ***THE FIRST NB OF FORT MILL.*** Ch.9941. **$20.00. Fr.1802-1.** 1929. No.B000052A. Very Good to Fine. Pressed at one time. Light back soiling remains. The margins are complete, without blemishes, though the right side is trimmed close. A mere 141 sheets of $20.00 small size notes were issued, along with a comparatively low emission of $5's and $10's, all of the Type I variety. Today, *fewer than a half dozen small size notes are reported*, with the higher denomination being particularly desirable.

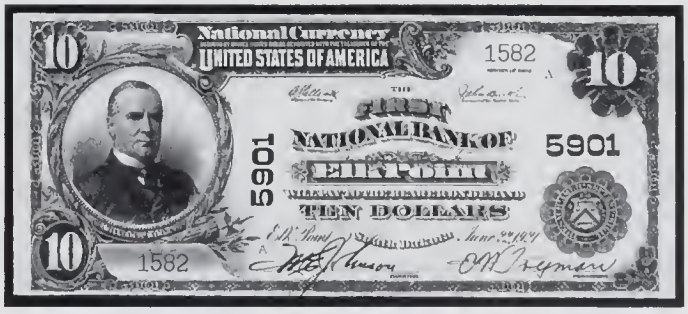
A SMALL SELECTION OF SCARCE SOUTH DAKOTA NATIONALS

284 **SOUTH DAKOTA.** ***THE DEUEL COUNTY NB OF CLEAR LAKE.*** Ch.12877. **$5.00. Fr.1800-2.** 1929. Very Fine. A rare note, with *fewer than a dozen small size notes reported.* It is bright and nicely centered, with minimal soiling.

285 ———. ***THE FIRST NB OF DEADWOOD.*** Ch.2391. **$10.00. Fr.1801-1.** 1929. Fine. Quite attractive for the grade. Only a couple of dozen are reported, and demand for this popular lawless town of the "old west" far exceeds the supply.

Gunfighter and lawman "Wild Bill" Hickok was killed in Deadwood, Dakota Territory in 1876.

LOVELY $10.00 ELK POINT BANK NOTE



Lot No. 286

286 ———. ***THE FIRST NB OF ELK POINT.*** Ch.5901. **$10.00. Fr.633.** 1902 PB. Choice Very Fine. Fully crisp, bright, and fresh, and possessing eye appeal associated with a higher grade. It is a great example of *a note of which only around a half dozen are reported.* Additionally desirable as a one bank town. Close cut at the lower back margin.

RARE HECLA $10.00 1902 PLAIN BACK

Lot No. 287

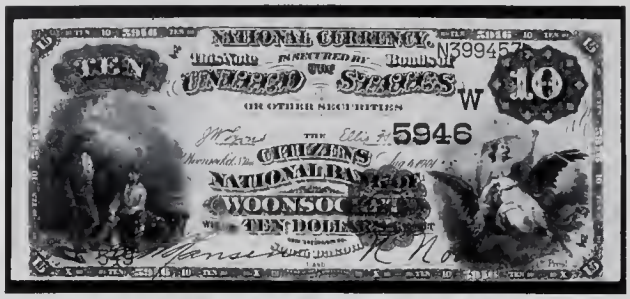
287 ———. ***THE FIRST NB OF HECLA.*** Ch.9679.**$10.00. Fr.627.** 1902 PB. Choice Extremely Fine. Bright and fresh, appearing "new" at first glance. Close examination reveals a few light vertical creases and slight horizontal handling. Signatures are bold. A scant $750 in large notes remained outstanding in 1935. Today, *just four are reported.* This may be the finest extant.

*288 ———. ***THE FIRST NB OF LEAD.*** Ch.4631. **$10.00. Fr.628.** 1902 PB. Very Fine, or thereabouts. Bold pen signatures. Much natural body remains, and aside from trivial margin and lower corner tip discoloration, the note retains an attractive natural appearance. Only this town bank issued notes. Today, *only around a dozen large size notes are reported.* This well known town is close to Deadwood, and was also a haven for desperadoes.

289 ———. ***THE FIRST NB OF PARKER.*** Ch.3675. **$10.00. Fr.1801-2.** 1929. Extremely Fine, or nearly so. Trivial face soiling. A great note, and *one of the finest of fewer than a dozen small size notes reported on this bank.* Type II notes are notably rare, as a scant thirty-three $10.00 sheets and ten $20.00 sheets were actually placed in circulation.

290 ———. ***THE FIRST NB OF TYNDALL.*** Ch.6792. **$10.00. Fr.624.** 1902 PB. Choice Extremely Fine. Pure white paper resembles a "new" note, and bold blue pen signature add a touch of flash. It is a gorgeous example. Only $10.00 and $20.00 notes were issued.

RARE WOONSOCKET $10.00 1882 DATE BACK



Lot No. 291

291 ———. ***THE CITIZENS NB OF WOONSOCKET.*** Ch.5946. **$10.00. Fr.545.** 1882 DB. Choice Very Fine. *A mere four notes are reported by Kelly* bearing this first title, which was changed in April, 1914 (only a single specimen of the second title is reported). This bank issued only $10.00 and $20.00 denominations in small quantities. Wonderfully crisp and fresh, this note is problem-free for the grade, with an impressive overall appearance highlighted by bold pen bank signatures and solid ink register. The lower margin is cut close, both face and back. Here is a wonderful find for the specialist.

292 **TEXAS.** ***THE FIRST NB OF EL PASO.*** Ch.2532. **$20.00. Fr.659.** 1902 PB. Very Good. Margin fraying is minimal. Attractive for the grade, with bold signatures and no blemishes worthy of note.

*293 **UTAH.** ***THE NB OF COMMERCE OF OGDEN.*** Ch.7296. **$20.00. Fr.650.** 1902 PB. Very Fine, or nearly so. Second title. Light soiling smudges, mostly on the back and not unsightly. Pen signatures of Harmon and Charles Barton as Cashier and President, respectively. Just $10.00 and $20.00 notes were issued in the $10-$10-$10-$20 format. An extremely desirable note, *only around a half dozen are reported* representing both denominations.

A SMALL BUT POWERFUL RUN OF VIRGINIA NATIONALS

RARE BLUEFIELD VIRGINIA NOTE

Lot No. 294

294 **THE TWIN CITY NB OF BLUEFIELD.** Ch.7782. **$10.00. Fr.624.** 1902 PB. Very Good. Strong stamped signatures of Thomas and Osborne as cashier and president. A few small pinholes, otherwise a wholesome note. A scarce second title note since the town of Bluefield did not have any official banking institution. The only bank chartered for Bluefield was charter 7734 which originally was chartered in Graham in 1905 and moved to Bluefield West Virginia in 1906. That bank issued only red seals. A wonderful opportunity for the state specialist since this is the only Bluefield, *Virginia* issue with *only 3 large size notes reported.*

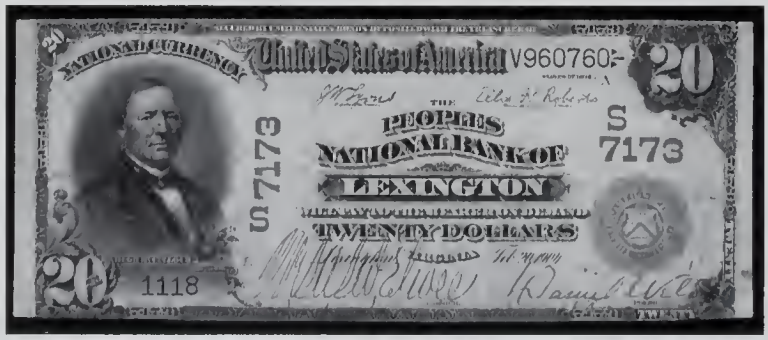
*295 ———. **THE FNB OF CHASE CITY.** Ch.9291. **$5.00. Fr.592. 1902 DB.** Fine, perhaps a bit better. Nice margins and totally original with light blue signatures. A scarce one bank town located near the North Carolina border in historic Mecklenburg county. One of *only 4 large size notes reported.*

*296 ———. **THE PEOPLES NB OF FARMVILLE.** Ch.9222. **$20.00. Fr.652.** 1902 PB. A solid Very Good with a couple of very small edged splits. Signed by J.L. Bugg and W. Roberson as cashier and president. One of *only 4 large size notes reported* from this scenic town on the Appomattox River.

*297 ———. **THE FNB OF GLOUCESTER.** Ch.10658. **$5.00. Fr.605.** 1902 PB. Fine. Cut close at the bottom. Lightly faded stamped signatures. A scarce one bank town with *only 4 large size notes reported.*

*298 ———. **THE FNB OF LAWRENCEVILLE.** Ch.9433. **$5.00. Fr.592.** 1902 DB. Fine with some light soiling in the folds. The signatures are bold as is the security fibers in the paper. A very scarce one bank town from Brunswick County with *only 3 large size notes reported and only three public appearances noted.*

RARE LEXINGTON RED SEAL



Lot No. 299

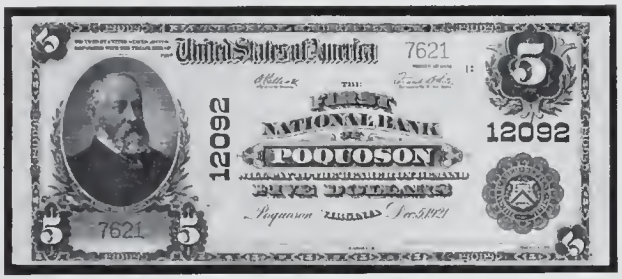
299 ———. **THE PEOPLES NB OF LEXINGTON.** Ch.7173. **$20.00. Fr.639.** 1902 RS. A solid Very Good with a few scattered pinholes and a close trim top and bottom. A tiny edge tear at the top left. One of *only 4 large size notes reported and the only red seal known on this one bank town, which had independent status from it's county.* ***(SEE COLOR PLATE)***

**Illustrated on Page 33*

300 ———. **THE FNB OF HIGHLAND AT MONTEREY.** Ch.9043. **$10.00. Fr.626.** 1902 PB. Good, perhaps a bit better. Some edge splits and a small bottom tear at the president's signature. A very rare note with an unusual town title. Research on this bank has yielded *only 4 notes known (only issued large size)*, the last appearance was this note in a 1996 Lyn Knight sale.

*301 ———. **THE PARKSLEY NB.** Ch.6246. **$5.00. Fr.608.** 1902 PB. Very Fine and quite nice for the grade. Strong stamped signatures and mainly bright paper gives this note wonderful appeal. One of *only 7 large size notes reported, this 1922 date "Fourth Charter" note* is a nice example of a scarce Chesapeake Bay area town.

VERY RARE POQUOSON VIRGINIA PAIR



Lot No. 302

302 ———. **THE FNB OF POQUOSON.** Ch.12092. **$5.00. Fr.608.** 1902 PB. Choice Very Fine. We would call this note Extremely Fine if the signatures were not nearly gone. Nevertheless a handsome note with just some minor soiling in the folds and some minor paper scrapes in the portrait. A very rare one bank town with only $710 large size outstanding and lists *only 2 large size and 2 small notes.* This note is one of the reported notes and comes from a 1997 Lyn Knight sale.

Lot No. 303

303 ———. **THE FNB OF POQUOSON.** Ch.12092. **$5.00. Fr.1800-1.** 1929 T-1. Fine. Cut close at the top and has some light soiling, otherwise this note still retains much appeal. Combined with the above large size note, this offering accounts for half the known reported notes and it is doubtful that another opportunity like this will present itself any time soon.

A PAIR OF RICHMOND VALUE BACKS

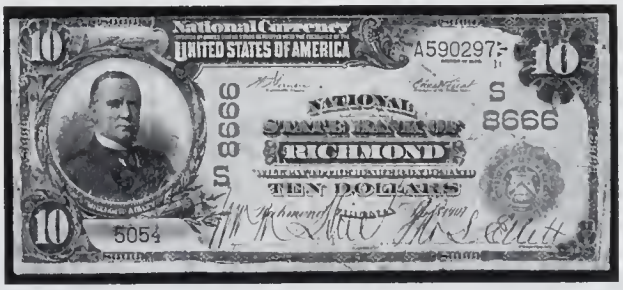
Lot No. 304

304 ———. **THE AMERICAN NB OF RICHMOND.** Ch.5229. **$5.00. Fr.574.** 1882VB. Very Fine or nearly so. Strong signatures with no major flaws gives this note nice appeal. A very attractive note from this historic capital city.

305 ———. **THE AMERICAN NB OF RICHMOND.** Ch.5229. **$10.00. Fr.577.** 1882 VB. Fine. Cut into the design at the lower margins and moderately discolored at the lower right. All $10.00 Value Back notes are scarce from this popular state.

306 ———. **THE FNB OF RICHMOND.** Ch.1111. **$5.00. Fr.598.** 1902 PB. Very Fine. An attractive note, with bold pen signatures of the bank officials. The lower right margin is cut slightly into the design, with a sliver of the above note evident at the top margin. A nice type note, especially so with solid "1's" bank charter.

VERY RARE RICHMOND RED SEAL

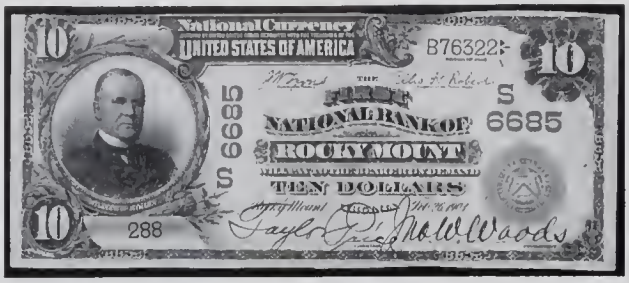


Lot No. 307

307 ———. **NATIONAL STATE BANK OF RICHMOND.** Ch.8666. **$10.00. Fr.615.** 1902RS. Very Good. A few scattered pinholes and cut close at the top. Lightly soiled, strong penned signatures and with vivid red coloration. Quite rare as this is the first title that was organized in 1907 and changed its name in 1910. One of *only 2 notes reported* from this title which issued only red seals and date backs. A better signature variety and a surprisingly rare note from a large bank that was liquidated in 1921.

*Illustrated on Page 33

OUTSTANDING ROCKY MOUNT RED SEAL



Lot No. 308

308 ———. **THE FNB OF ROCKY MOUNT.** Ch.6685. **$10.00. Fr.613.** 1902RS. Very Fine. A bright note with just some minor soiling, vivid red seal and charter numbers and very neat pen signatures of Price and Woods. Cut close at the top. One of *only 3 large size notes reported* from this bank that was liquidated in 1926 and was assumed by charter 8984. A very rare note that should be an exciting opportunity for the state collector. ***(SEE COLOR PLATE)***

*309 ———. **THE FNB OF SALTVILLE.** Ch.11265. **$10.00. Fr.632.** 1902PB. Very Good to Fine. Some soiling and a pinhole of two, otherwise a wholesome example. This neat one bank town issued only $10.00 and $20.00 plain backs with *only 3 large size notes reported.* A very scarce note from a place situated at the western end of the Appalachian Mountains.

*310 ———. **TAZEWELL NB.** Ch.6123. **$10.00. Fr.634.** 1902PB. Extremely Fine with the eye appeal of a higher grade. Great pen signatures. Cut close at right top and left bottom. This is dated 1922 and is the so-called "Fourth Charter" issue. There were two banks in this town, the combined large size reported is *only 6 notes, with 4 being from this charter.* We know of only 6 public appearances. Surprisingly there was only about 10% of the large size face value outstanding at the close of this charter than the other bank. Another scarce note from the western Appalachian region.

*311 ———. **THE FARMERS AND MERCHANTS NB OF WINCHESTER.** Ch.6084. **$10.00. Fr.577.** 1882VB. Choice Very Fine with the eye appeal of Extremely Fine. Nice margins and color, The stamped signatures a bit aged but very strong. An absolutely fabulous type note and well worth a closer inspection. This note traces its history back to a 1983 Herb Melnick sale.

*Illustrated on Page 39

317 **$1.00. Fr.1604.** 1928D. **Choice Uncirculated.** No.D82596338B. Well centered and crackling fresh. Quite a desirable note in this wonderful state of preservation.

OUTSTANDING 1928E SILVER CERTIFICATE

Printed with Face Plate Number A1

Lot No. 318

318 **$1.00. Fr.1605.** 1928E. **Choice Uncirculated.** No.F72000727B. This is a wonderful unhandled example. The lower margin is a trifle too narrow for Gem status. A highly coveted series, a mere 3,519,324 notes were emitted. This series started with F72000001B, making the offered example the 727th note printed. Also adding to the desirability is the face plate number A1, the first face plate used on this important issue. ***(SEE COLOR PLATE)***

319 **Nice offering of small size note blocks: SILVER CERTIFICATES. $1.00. Fr.1608.** 1935A. T-C (5), Z-C (1); **Fr.1613N.** 1935D. Q-F (2), G-G (8), K-G (2), M-G (1); **$5.00. Fr.1654.** 1934D. U-A (1); **Fr.1655.** 1953. A-A (2), B-A (3), C-A (1); **LEGAL TENDER NOTES. $5.00. Fr.1533.** 1953. C-A (2). **Crisp Uncirculated,** or better. Virtually all notes are Choice or Gem. **28** pieces.

320 **$1.00. Fr.1609** and **Fr.1610.** 1935A. *R and S set.* Each is **Choice Uncirculated**, and a borderline Gem. Both are virtual perfection, though centering is slightly off. This pair is about as close to perfect as one can locate. **2** pieces.

321 **$1.00. Fr.1614.** 1935E. **Choice Uncirculated,** or better. Consists of the following blocks: F-I (1), H-H (4), V-H (15), and W-H (4). Serial numbers are consecutive, or nearly so. **24** pieces.

322 **$10.00. Fr.1702★.** 1934A. No.★01500831A. Fine. Nice for the grade, retaining much original body. A tiny "500" is inscribed in pencil to the left of the portrait, probably removable. Star notes of this series are scarce.

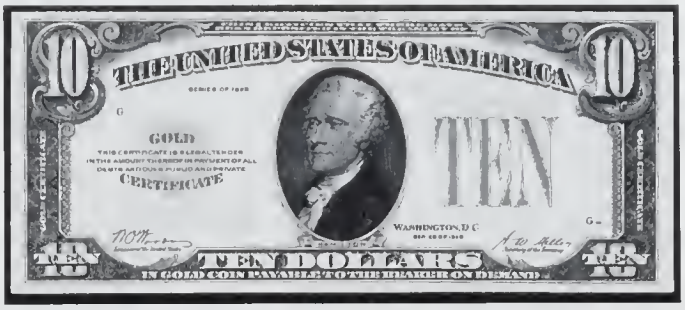
*323 **$10.00. Fr.1704★.** 1934C. No.★01662339A. Choice About Uncirculated. Fully bright and crisp, and probably never handled in commerce. There is a light diagonal crease to the right of center, otherwise this lovely note would be a high end "new" example. It is quite a desirable star note in this grade.

FEDERAL RESERVE BANK NOTES

324 **$20.00. Fr.1870-B.** 1929. **Choice Uncirculated.** A borderline Gem, showing only a trace of teller handling at the right and a close cut top margin.

GOLD CERTIFICATES

A PAIR OF HIGH GRADE 1928 $10.00 GOLD CERTIFICATES



Lot No. 325

325 **$10.00. Fr.2400.** 1928. **Gem Uncirculated.** Face centering is close to perfect, while the back is off just a bit to the upper right. Though, its exceptional attributes cannot deny this note Gem classification. Examples in this wonderful condition have become extremely challenging to locate. Notes of this series, bearing a bright orange seal printed over "GOLD CERTIFICATE," with matching orange serial numbers, are among the most flashy and popular small size type notes.

326 **$10.00. Fr.2400.** 1928. **Choice Uncirculated.** Good centering, bright and fresh. Nearly as nice as the above example.

Lot No. 327

327 **$20.00. Fr.2402.** 1928. **Gem Uncirculated,** or nearly so. Nicely centered, without handling. Bright and fresh. This note is a popular accompaniment to the Saint Gaudens Double Eagle in many collections.

328 **$20.00. Fr.2402★.** 1928. Very Fine, or nearly so. Much original crispness remains. There is a bit of discoloration at the top margin and a hard horizontal crease. However, as a star note it is remarkably elusive. With fewer than half million printed, and virtually no collectors during their time in circulation, survival is solely a matter of happenstance.

Lot No. 329

329 **$100.00. Fr.2405.** 1928. Very Fine. An impressive crisp feel. The back has a bit of soiling, otherwise this note would be Choice.

**Illustrated on Page 39*

FEDERAL RESERVE NOTES

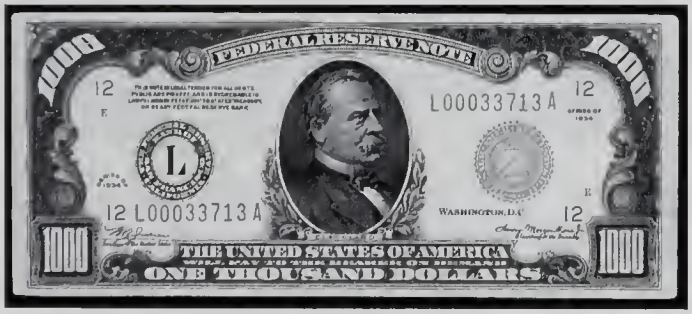
332 **$500.00. Fr.2201-B.** 1934. Very Fine. Slight margin soiling. A tiny letter 'S' is printed in ink at the upper right face margin.

333 **$500.00. Fr2201-G.** 1934. Very Fine. Minimal soiling.

Lot No. 334

334 **$500.00. Fr.2202-B.** 1934A. **Choice Uncirculated.** Nicely centered, though not up to Gem standards. Examples in this grade are becoming scarce, and are extremely popular.

335 **$500.00. Fr.2202-G.** 1934A. Choice Extremely Fine. Bright and fresh.



Lot No. 336

336 **$1000.00. Fr.2211-L.** 1934. Choice Extremely Fine. Attractive and well centered.

337 **$1000.00. Fr.2212-G.** 1934A. About Uncirculated, or nearly so. Only a single hard center crease is evident, along with light handling.

WORLD WAR II EMERGENCY ISSUES

339 **$1.00. Fr.2300.** 1935A. *IIAWAII.* **Gem Uncirculated.** S-C block. Wide, nearly perfect face margins, while the back is slightly off to the top. Perfection in every other way merits Gem classification.

340 **$1.00. Fr.2300.** 1935A. *HAWAII.* **Choice Uncirculated.** S-C block, two consecutive serial numbers. Centering is off slightly on both, though one is close to Gem. Both are flawless unhandled notes. **2** pieces.

*341 **$5.00. Fr.2301.** 1934. *HAWAII.* **Choice Uncirculated.** A bright, fresh borderline Gem example.

RARE $5.00 1934A HAWAIIAN STAR NOTE

Lot No. 342

342 **$5.00. Fr.2302★.** 1934A. *HAWAII.* No.L00892898★. Very Good. Without tears or blemishes, merely worn. Quite attractive for the grade. Star notes of this series are extremely rare in all grades, and demand is high. The reported serial number range indicates that only a couple of thousand notes were issued.

Lot No. 343

343 **$20.00. Fr.2305.** 1934A. *HAWAII.* **Crisp Uncirculated.** Never folded or handled. Some faint paper ripples at the top margin, probably as a result of moisture induced shrinkage while within its original bundle, limits our grade on this desirable higher denomination issue.

344 **$1.00. Fr.2306.** 1935A. *NORTH AFRICA.* **Choice Uncirculated,** or nearly so. R-C block, and consecutively numbered. Close to Gem, except very close cut at the back top margins. **4** pieces.

345 **$1.00. Fr.2306.** 1935A. *NORTH AFRICA.* **Choice Uncirculated.** R-C block. A virtual Gem; **$10.00. Fr.2309.** 1934A. About Uncirculated, having only a faint center fold. A-A block. **2** pieces.

346 **$10.00. Fr.2309.** 1934A. *NORTH AFRICA.* Choice About Uncirculated. Disturbed only by a faint center fold. Impressive appearing, otherwise.

U. S. ERROR CURRENCY

Lot No. 358

358 **$1.00 Fr.1600.** 1928. Crisp Uncirculated. ***MISSING THIRD OVERPRINT.*** Close top right end on the face and minor rust line on the back. Still a rare early error issue sure to garner specialist enthusiasm.

*359 **$1.00 Fr.1612.** 1935C. Choice Crisp Uncirculated. ***MISSING THIRD OVERPRINT.*** No back imprint. Hint of treasury seal impression at right of obverse. Full lower left serial numbers, only the prefix "A" was printed on the upper right. An exquisite example of this error type on a silver certificate.

360 **$1.00 Fr.1613N.** 1935D. Choice About Uncirculated. ***BUTTERFLY FOLD.*** Blank corner at upper right extended a full ⅜" from margin of note. A rare occurrence, especially so on a Silver Certificate. Center fold blends well into note.

361 **$1.00 Fr.1613W.** 1935D. Very Fine. ***DIAGONAL GUTTER FOLD at right*** 3 hard folds; **$10.00 Fr.2017-B.** 1963. Crisp Uncirculated. Single fold at left not affecting design elements, but slightly skewing adjacent borders; **$20.00 Fr.2076-B.** 1988A. Choice Crisp Uncirculated. ***INSUFFICIENT INKING.*** Approximately 1" at left of obverse to border showing insufficient inking. 3 pieces.

362 **$1.00. Fr.1615.** 1935F. Extremely Fine. ***OFFSET PRINTING.*** 20% Face on back at the upper and right margins. The offset ink register is extremely bold.

*363 **$1.00. Fr.1907-D.** 1969D. **Choice Uncirculated.** ***INVERTED THIRD PRINTING.*** No.B61318746E. A visually dramatic misprint, having the seals and serial numbers upside-down. It is among the most popular of the "affordable" error notes.

364 **$1.00 Fr.1914-A.** 1998. About Uncirculated; **$5.00 Fr. 1979-D,** 1988. Very Fine; **$10.00 Fr.2027-A,** 1985. Choice About Uncirculated; **$20.00 Fr.2076-B,** 1988A Choice About Uncirculated, centerfold. ***GREEN INK SMUDGES ON BACK.*** A nearly complete denomination run. **4** pieces.

365 **$1.00. Fr.1914.-B.** 1988. Extremely Fine to About Uncirculated. ***INSUFFICIENT INKING.*** The back left has very light register from top to bottom margin, ranging from 20mm to 65mm toward the center. This baker's dozen is all in close serial number sequence. An unusual grouping. **13** pieces.

366 **$1.00. Fr.1914-E.** 1988A. **Gem Uncirculated.** ***INVERTED THIRD PRINTING AND FAULTY ALIGNMENT.*** No.E45007372P. Upside-down seals and serial numbers combine with a miscut which allows a 1mm horizontal portion from the above note.

*367 **$1.00 Fr.1915-C.** 1988A. **Crisp Uncirculated.** ***THIRD OVERPRINT ON BACK.*** No.C53932873C. Bold seals and serial numbers. Centering a tad high on the obverse.

VERY RARE FORT WORTH ERROR

Lot No. 368

368 **$1.00. Fr.1916-G★.** 1988A. **Gem Uncirculated.** This exquisite star note exhibits **TWO *MISMATCHED SERIAL NUMBERS*** G*11*408460/ G*00*40846O. If this were not sufficient to excite the error specialist, this note was produced at the Fort Worth facility on the old sheet-fed press and not the web press which was being used in Washington. A mere 6,400,000 star notes were produced for the Chicago district, which leads us to believe that this error is one of a very few that probably exist, especially so in high grade.

369 **$1.00 Fr.1921-B.** 1995. Choice About Uncirculated. ***THIRD OVERPRINT ON BACK.*** Usual slight weakness on state seal and soft center fold. A dramatic printing error.

370 **$1.00 Fr.1921-B.** 1995. **Choice Crisp Uncirculated.** ***BOARD BREAK*** at extreme upper left hand corner of obverse; **$1.00 Fr.1908-B.** 1974. Extremely Fine. Partial diagonal ***INK TRANSFER*** on obverse at left, ¼" tear at bottom edge; **$10.00 Fr.2011-G.** 1905A. Choice Very Fine. ***MISALIGNED FACE AND BACK*** plus vertical ink smear on the reverse; **$10.00 Fr.2013-G.** 1950C. Very Fine. ***MISALIGNED FACE AND BACK*** and bold partial ink transfer at left of reverse; **$10.00 Fr.2077-L** 1985. Choice Crisp Uncirculated. Small ***BUTTERFLY FOLD*** at upper left of obverse with imprint. Additionally an angular blank portion at upper right of reverse from selvage obstruction. A superb diversified group. **5** pieces.

371 **$1.00 Fr.1921-B.** 1995. About Uncirculated. ***FULL OFFSET PRINTINGS.*** No.B21865815U. Sharp center fold; **$5.00 Fr.1980-F.** 1988A. About Uncirculated. Full offset printing. No.F32585124D. Fold left of center, some crinkling; **$20.00 Fr.2072-B.** 1977. Choice Crisp Uncirculated. Full offset printing. No.B67792022E. Full but albeit light over printing characterizes these popular error types. **3** pieces.

372 **$1.00 Fr.1921-E.** 1995. Crisp Uncirculated. ***FULL OFFSET PRINTING, FACE AND BACK.*** No.E57678614G. Boldly, imprinted and nicely centered. Some light wrinkling noted.

*373 **$2.00 Fr.1935-B.** 1976. Crisp Uncirculated. ***MISMATCHED PREFIXES.*** A generally well centered note with unimpaired surfaces. A rare denomination error and certainly rarer than serial number mismatches.

*Illustrated on Page 45

374 **$2.00. Fr.1936-F.** 1995. **Gem Uncirculated.** ***INSUFFICIENT INKING.*** No.F07091597A. Two strips about 4mm wide inside the upper face margin lack an inked impression. One extends 30mm horizontally and the other is 45mm horizontally, covering both the right and left TWO DOLLARS designations, although there is solid ink register between them and to the far right. Additionally, there is small unregistered spot at the left margin. The areas missing ink register are all boldly embossed from contact with the plate, though nearly pure white.

*375 **$5.00. Fr.1978-B.** 1985. Extremely Fine. No.B31933896. ***MISALIGNED OVERPRINT.*** The branch seal is printed low and overlaps the serial number. It is a seldom encountered error, and even more curious because the right seal and serial number are properly positioned.

376 **$10.00 Fr.2027-B.** 1985. Choice About Uncirculated. ***MISSING FIRST PRINTING.*** Minor state seal impression at left. (B). No reverse imprint. A scarce error type for the denomination.

377 **$10.00. Fr.2027-H.** 1985. Choice Extremely Fine. ***FULL OFFSET PRINTING.*** No.66716324A. Back on face, with the impression somewhat light at the centers.

*378 **$10.00 Fr.2027-L.** 1985 Choice Very Fine. ***MISALIGNED OVERPRINT, SHIFTED LEFT.*** Seals & serial numbers. A full ½" off of center. This shift to the left is because this note was printed on the end of paper roll. Much scarcer than its right shift counterpart.

379 **$10.00. Fr.2030-F.** 1990. **Choice Uncirculated.** ***NEARLY FULL OFFSET PRINTING.*** No.F22548797A. Approximately 95% face on back, with only the lower right corner not offset.

380 **$20.00. Fr.2079-?.** 1993. Extremely Fine. ***MISSING THIRD PRINTING.*** With three vertical creases and light signs of circulation. This note lacks the seals and serial numbers. Top and bottom margins each show a tiny tear near the left quarter.

RARE $20.00 FEDERAL RESERVE NOTE DOUBLE ERROR

Lot No. 381

381 **$20.00. Fr.2081-D.** 1995. Choice Extremely Fine. ***INVERTED THIRD PRINTING and FAULTY ALIGNMENT.*** No.D93395888A. The always popular upside-down seals and serial numbers, plus a 1.5mm horizontal impression from the above note on the sheet, due to a cutting error, characterize this note. An important error in any denomination, the higher denomination makes it even more desirable and rare.

382 **$100.00. Fr.2173-F.** 1990. **Crisp Uncirculated.** ***BUTTERFLY FOLD.*** No.F06393960A. Lightly handled, though there are no creases. The lower right corner folded over following the first printing, resulting in a small unprinted area at the lower right face and a small irregular fold-out. Here is another relatively common error, though highly unusual on this denomination.

383 **$100.00. Fr.2175-E.** 1996. **Gem Uncirculated.** ***15% OFFSET PRINTING.*** No.AE39367904A. There is a partial back impression boldly registered at the left side of the face.

Lot No. 429

429 **50¢. Fr.1324.** Red back. Surcharge A-2-6-5 variety. The face is nicely centered, while the back is a bit narrow at the right margin. Excellent paper color, ink register, and bronzing. It is a gorgeous example of the popular "Spinner" note. **Choice Crisp Uncirculated.**

430 **50¢. Fr.1326.** Red back, tiny numeral "1" centered inside border at the left face. Surcharge A-2-6-5 variety. Full margins all around. A tiny pencil designation "48b" at the lower right back corner is probably removable. **Choice Crisp Uncirculated.**

431 **50¢. Fr.1327.** Red back, small design letter "a" within lower left face border. Strictly "new," with no folds or handling, though three corner tips have tiny bumps. **Crisp Uncirculated.**

432 **50¢. Fr.1328.** Red back, autographed bold black ink signatures of Colby-Spinner. Excellent color. Complete margins all around. It is a delightful example of this extremely popular classic fractional note. **Choice Crisp Uncirculated.**

433 **50¢. Fr.1328.** Red back, autographed bold black ink signatures of Colby-Spinner. Paper has aged a bit, and there is a touch of handling at each margin, though no creases. Here is a desirable **Crisp Uncirculated** example.

SHARP "ALLISON-SPINNER" AUTOGRAPHED NOTE

Lot No. 434

434 **50¢. Fr.1329.** Red back, sharp autographed signatures of Allison-Spinner. Bright and fresh, with bold bronze surcharges showing a deep olive-gold tone. The face is nicely centered, while the back is cut slightly into the design at the right margin. There is a minuscule corner tip bump at the lower left, otherwise this scarce note would be wholly Gem. **Choice Crisp Uncirculated.**

435 **50¢. Fr.1329.** Red back, bold autographed signatures of Allison-Spinner. The top right corner is frayed and repaired, and there is a corner fold at the lower left. About Uncirculated.

436 **50¢. Fr.1331.** Green back. Well centered, with complete margins all around. Paper is beginning to show traces of aging. **Choice Crisp Uncirculated.**

*437 **50¢. Fr.1332.** Green back, face design figures "1" and "a." The scarcest of the green back varieties with surcharge. Paper is nearly pure white. Face ink register is light at the borders, and very bold inward, complementing deep olive-gold toned bronzing. A deep green back impression adds to the marvelous eye appeal of this note. **Choice Crisp Uncirculated.**

438 **50¢. Fr.1333.** Green back, face design numeral "1" centered inside the left border. The face is well centered, while the back is impressed a bit too high, though upper border is not intruded upon. A trace of rubbing is evident on the paper surface at the left face margin. **Choice Crisp Uncirculated.**

439 **50¢. Fr.1333.** Green back, face design numeral "1" centered inside the left border. Another lovely example of this elusive Spinner note variety. Cut close at the right margins, otherwise it would be Choice. **Crisp Uncirculated.**

440 **50¢. Fr.1334.** Green back, design letter "a" inside lower left face border. Left margin tics. Extremely Fine; **Fr.1339.** Second back design. Close cut top margin, and somewhat aged. About Uncirculated, or nearly so. Important "Spinner" types. **2** pieces.

441 **50¢. Fr.1341.** The second back design "Spinner" note, with design numeral "1" centered inside the left border. Wide margins and quite well centered. Boldly embossed ink register and bright, fresh bronzing highlight this example. **Choice Crisp Uncirculated.**

442 **Desirable offering of "Justice" varieties: 50¢. Fr.1343.** Red back. Choice Very Fine; **Fr.1360.** Green back, design numeral "1" centered inside left face border; **Fr.1365.** Green back, design letter "a" inside border at lower left corner; **Fr.1366.** Green back, surcharges A-2-6-5 widely spaced at back corners. Choice Extremely Fine. **4** pieces.

*Illustrated on Page 45

443 **50¢. Fr.1345.** Red back, face design numeral "1" centered inside the left border. Margins are cut close all around, touching the border only at the right top corner on the face. Paper is a uniform off-white and bronzing is deep olive-gold. "Justice" notes are scarce in this state of preservation. **Crisp Uncirculated,** and nearly Choice.

444 **50¢. Fr.1346.** Red back, face design letter "a" inside lower left border. Brighter paper than many and solidly impressed, retaining bright bronze security devices. Two small old foreign ink stains are near the back center. **Crisp Uncirculated.**

445 **50¢. Fr.1347.** Red back. Surcharge A-2-6-5 variety. An excellent bright, fresh example. The top left and bottom right corner tips have been bumped, keeping this note from the Choice classification. **Crisp Uncirculated.**

WONDERFUL AUTOGRAPHED "JUSTICE" NOTE

Lot No. 446

446 **50¢. Fr.1355.** Red back, autographed signatures of Colby-Spinner. "Justice" notes having autographed Colby-Spinner signatures rank among the most popular fractional currency issues. This wonderful example is boldly embossed, bright and fresh, with neatly written signatures. **Choice Crisp Uncirculated.**

447 **50¢. Fr.1355.** Red back, autographed signatures of Colby-Spinner. Another example, with eye appeal equal to the previous note, though this one has a light vertical fold near the right quarter. Choice About Uncirculated.

448 **50¢. Fr.1356.** Red back, autographed signatures of Colby-Spinner. Surcharges A-2-6-5 variety. Bright and fresh. Strictly "new," with merely a light corner fold at the right restricting the grade classification. **Crisp Uncirculated.**

449 **50¢. Fr.1357.** Red back, autographed signatures of Colby-Spinner. Fiber paper, with an easily distinguishable surcharge S-2-6-4 at the back corners. Extremely Fine, or nearly so, with a 1mm lower margin tear near the right quarter.

*450 **50¢. Fr.1358.** Green back. Unhandled, bright and fresh. Excellent eye appeal, and quite elusive thus. Face margins are closely trimmed all around, though complete, although the back cuts slightly into the design at the left. The overall outstanding quality of this note fully merits **Choice Crisp Uncirculated.**

451 **50¢. Fr.1363.** Green back, design figures "1" and "a" on the face. Surcharges A-2-6-5, compactly spaced. It retains a bright "new" appearance and sharp corner tips, with only a few light vertical creases. Choice Very Fine, and highly desirable for the grade.

FRACTIONAL CURRENCY STRIPS

FIRST ISSUE FRACTIONAL CURRENCY

464 **5¢. Fr.1230.** *VERTICAL STRIP OF FOUR.* With "ABC" monogram. Not creased and scarce as such, as many strips have been folded between notes. This example is flawless and unhandled, with sharp corner tips and bright, fresh ink register. Although close cut, margins are nearly complete. **Very Choice Crisp Uncirculated.**

SECOND ISSUE FRACTIONAL CURRENCY

465 **5¢. Fr.1232.** *VERTICAL STRIP OF TWO.* Folded between notes, with the fold barely touching the upper margin of the bottom note. Attached the pair grades Choice About Uncirculated, although if correctly cut each note is **Crisp Uncirculated,** or better.

466 **5¢. Fr.1233.** *HORIZONTAL STRIP OF TWO.* Folded between notes. The note on the left shows pinholes and handling, while the one on the right is Choice. Moderately handled, with a torn top margin. Very Fine, or thereabouts. **2** pieces.

THIRD ISSUE FRACTIONAL CURRENCY

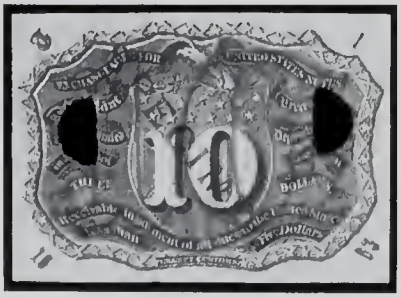
SPECIMEN AND EXPERIMENTAL FRACTIONAL CURRENCY



Lot No. 469

469 **10¢. Fr.1249.** *EXPERIMENTAL BACK.* Second issue. Milton 2E10R.4. A bold green impression is printed on fiber paper. Surcharge 18-63 and T-1 at the corners, identical to regular issue backs, although hand stamped diagonally at the center "SPECIMEN" in purple ink. The blank side has the bronze oval as seen on the regular issue, as well. Two semi-circular cancellation holes are centered at the quarters. Virtually perfect, and extremely rare thus. Far better than the example illustrated in Milton Friedberg's *Encyclopedia of United States Fractional & Postal Currency* reference, which details all experimental notes known to him. **Gem Crisp Uncirculated.**

470 **25¢. Fr.1244.** *EXPERIMENTAL FACE.* Second issue. Milton 2E25F.3b. An attractive gray face impression, exactly as issued, though this note lacks the bronze oval. Two semi-circular cancellations are at the quarters, and "SPECIMEN" is hand stamped diagonally across the center in purple. Centering is nearly perfect. A remarkable example. **Gem Crisp Uncirculated.**

471 **3¢. Fr.1226-SP.** *SPECIMEN FACE.* Third issue. Light background, narrow margin. Virtually perfect pure white paper and a bold impression highlight this desirable note. Cut close at the right margin. **Choice Crisp Uncirculated.**

MISCELLANEOUS ITEMS RELATED TO U.S. CURRENCY AND BANKING

473 **Unusual Treasury Department "RULES FOR REDEMPTION" requirement form letter.** Dated August 27, 1868, this 8¼ by 11 inch form letter is accompanied by two counterfeit 50¢ fractional notes, First and Third issues (the latter a Justice/Green Back), in rather poor condition, pinned to the first page of the form. The four page single fold out form details terms in which fragments and mutilated notes will be redeemed by the Treasury of the United States, with the first page serving as a receipt, partially hand inscribed by a Treasury clerk in response to the redemption request. This page also has facsimile signature of F. E. Spinner as "Treasurer U. S." This fragile piece of Americana is generally extremely well preserved, showing merely minor foxing at the edges and four edge fold splits, each around a half inch long, where it has been folded twice for insertion into an envelope. The official Treasury of the United States envelope is included and remains in Very Fine condition. Items included in this lot are as follows: two fractional counterfeit notes, the form letter, and the official Treasury envelope in which these notes and the form letter were returned to the owner (see footnote). **4** pieces.

Henry Shreve, of Alliance, Ohio was the requester, sending in a total of $28.19 of apparently mostly mutilated currency for redemption. According to this form, $26.69 was accepted and $1.50 in counterfeit notes were rejected. As stated, two of those notes are offered within, appearing never to have been unpinned from the first page of the form.

474 **Nearly full original box of Puritan Bank Pins.** Noted on the box "FINEST BRASS PINS," manufactured by Scovill Manufacturing Company, Waterbury, Connecticut. Scovill Manufacturing is also a well known maker and issuer of Trade and Hard Times tokens. The side of the box denotes ½ lb. of pin size No.4. Box is in good condition overall, with a single corner of the box top separated. Pins are **"Gem Brilliant Uncirculated."** Many a note has been marred by these pesky things.

While we cannot date this item, it is no doubt from the turn-of-the-century or very early 20th century, and an interesting example of early banking memorabilia, with relationships to trade tokens and currency.

475 **Trio of beautifully engraved Exposition admission tickets. WORLD'S COLUMBIAN EXPOSITION.** "Admit The Bearer, 1st May to 30th Oct. 1893." **Crisp Uncirculated,** a trace of soiling. Engraved by the American Bank Note Company, New York; **NATIONAL EXPORT EXPOSITION.** "Admit The Bearer, Sept. 14th to Nov. 30th, 1899." Engraved by E. A. Wright, Philadelphia. Choice About Uncirculated; **PAN-AMERICAN EXPOSITION.** "Souvenir Ticket, May 1st to November, 1901."Also engraved by E. A. Wright, Philadelphia. **Crisp Uncirculated. 3** pieces.

476 **Wonderful collection of World's Columbian Exposition admission tickets:** Washington vignette. Blue seal. Eglit 389; Lincoln vignette. Green seal. E.390; Columbus vignette. Brown seal. E.391; Indian Chief vignette (2). Orange seal. E.392; Franklin vignette. Purple seal. E.393; Handel vignette. Olive seal. E.394; Chicago Day, with stub solidly attached. E.395; Manhattan Day, with stub attached, though perforations are about three-quarters separated. E.397; Children's Special Ticket. E.398; "Good Only On Day Of Sale." 1/S printed at lower left. E.399. This collection is *lacking only the Chicago Day "Child's Ticket"* to be a complete set of major admission ticket varieties. Here is a rare opportunity for the Columbian Exposition specialist. All are **Crisp Uncirculated,** with most Choice. **11** pieces.

UNITED STATES COINS

U. S. COLONIAL COINS

RARE PINE TREE THREEPENCE

Lot No. 477

477 **1652 Pine Tree Threepence. Noe 37.** Nearly Very Fine. 17.7 gns. Medium to dark gray toning on both sides. Partial tree and partial obverse legend; full reverse denomination and date, letters in the legend. Typical striking weakness on the obverse, a little more advanced than seen on the Noe plate coin but of the same origin and as made. Second A in MASSACHVSETTS broken as expected. Some light surface marks, none really distracting. This is a little nicer than Noe 37 is usually found.

FULLY STRUCK PINE TREE SIXPENCE

Lot No. 478

478 **1652 Pine Tree Sixpence. N.33a.** Very Fine. 33.0 gns. Pale silver gray on both sides with some light rose toning. Full obverse tree and inscription, full reverse denomination and date and letters. From the same dies as Noe 33 but perfectly centered between the rollers and so with complete types on both sides. Rare thus. Short, old scratches in lower right obverse field and into base of I in VI on the reverse.

ATTRACTIVE BRASS 1779 RHODE ISLAND SHIP TOKEN

Lot No. 479

479 **1779 Rhode Island Ship Token.** Variety with "wreath" below ship. **Brass. Uncirculated.** Good, rich toned brass color, a combination of near chocolate brown and faded gold. On the obverse, the ship's gunports, rigging, furled sails, and flag are sharply struck and fully detailed. On the reverse, the ranks of fleeing American soldiers are completely struck up, even the topmost line which is usually found soft even on Brilliant Uncirculated specimens. The fields on both sides are undisturbed by nicks or marks of any significance. The low grade assigned this piece by the grading service is explained by the as made rim flaw at the top of the obverse and base of the reverse. This example is nicer than most available on today's market and is well worth close inspection. PCGS AU58.

Ex Donald S. Fleischer Sale (Stack's, September 1979, lot 494).

RARE PEWTER 1779 RHODE ISLAND SHIP TOKEN

Lot No. 480

480 **1779 Rhode Island Ship Token.** Another of the above type, but struck in **Pewter.** Choice Extremely Fine. 134.7 gns. A rather rare variety when struck in this metal and not in the usual brass. There may be fewer than 30 of these pewter ones known. Both sides are a good, steel gray color with traces of light lustre and gloss remaining. The rims are rough and are crumbling in places, a result of the corrosion that typically affects pieces struck in a high tin alloy (like the Plantations tokens and the Continental Dollars). There is good detail showing in the design devices of both sides. The faint break on the reverse at the right is about as advanced as that seen on the brass pieces in the preceding lot.

The "wreath" below the ship is actually just a floral device that was punched into the die over the word "vlugtende", which had been punched into the wrong side of the obverse. That mocking word was only meant to appear on the reverse, where it properly referred to the retreating American army.

481 **1767 French Colonies Sou. Without RF.** Very Fine. 180.1 gns. Once cleaned, traces of old lacquer on both sides. This type without the R[epublique] F[rancaise] counterstamp is about three times rarer than the usually seen one with RF.

482 **1787 Connecticut Copper.** Draped Bust Left. **Miller 33.30-EE.** About Fine. High Rarity-5 (revised). 151.1 gns. About average condition for this one-time rare variety. Clipped.

483 **1788 Massachusetts Cent. Ryder 4-D.** 148.6 grains. Choice Very Fine or better. Smooth deep brown, showing an as-made rim flaw left of Indian's foot.

ATTRACTIVE CASTORLAND MEDAL

484 **1796 Castorland Medal. Silver.** Very Choice About Uncirculated. Struck from the *original obverse and reverse dies.* Both sides are attractively toned in nice pale gray and light gold. The toning is uniform and matched on both sides and is quite pleasing. The strike is sharp, with all details in the dies fully struck up. A few light marks are noted on both sides, accounting for the conservative grade assigned this piece. An area of heavy, spider-web like die rust can be seen around the right handle of the maple sap bucket on the back. Unknown edge type. PCGS AU58.

485 **Washington Double Headed Cent.** Undated. **Uncirculated,** traces of verdigris on both sides. PCGS MS62BN.

U. S. HALF CENTS

486 **1804** Breen 10. Plain 4, No Stems. Choice Very Fine-30. Chestnut-brown toning on either side. Some light deposits in the devices; **1809** Br.4. About Uncirculated-50. Deep olive-brown patina with a trivial mint made obverse planchet split at 5:30. **2** pieces.

487 **1835** Br.1. **Mint State-64.** 'ST' in STATES widely spaced. Richly glowing rose-red drenches obverse and reverse on this near Gem Classic Head coin.

488 **1837 Half Cent.** About Uncirculated-55. Hulseman's token, listed as Low 49 in the Hard Times Tokens series. These are collected as 1837 Half Cents since no federal Half Cents were struck dated 1837. Listed in the Red Book in the Half Cent section.

489 **1849** Br.1; **1850** Br.1; Extremely Fine-40. Pleasing surfaces, the 1850 with a minor edge bump at 5:00 below '0' in date. **2** pieces.

490 **1851** Br.1. About Uncirculated-58. Decent, rich medium brown with ample traces of fading mint red color around the protected areas. Good, hard and clean surfaces.

491 **1851** Br.1. Extremely Fine-40; **1853** Br.1. About Uncirculated-50. The first medium brown, the second sharply struck and slightly deeper brown. **2** pieces.

Lot No. 492

492 **1854** Br.1. **Mint State-63.** Well struck on either side and still retaining roughly half of the original mint color.

GEM PROOF 1856 HALF CENT

Lot No. 493
(Entarged)

493 **1856** Br.1. **Gem Brilliant Proof-65.** A very sharply struck and near flawless example of the penultimate year of issue of the denomination. The coin is toned in a uniform mahogany brown with underlying traces of red color showing. The fields are clean and smooth and mark-free. Liberty's features on the obverse a.nd the reverse wreath are sharp, bold, and fully detailed. The rims on both sides are high and broad, as expected from a Proof. This would make a very acceptable example for inclusion in a high grade type collection. ***(SEE COLOR PLATE)***

MARVELOUS 1793 SHELDON 3 CHAIN CENT

Ex Anderson DuPont Collection

Lot No. 494
(Enlarged)

494 **1793** Sheldon 3. Chain. AMERICA. Choice Extremely Fine-45, perhaps a bit better. Sharply struck on both the obverse and reverse. The legends, hair, chain, and facial detail are all quite bold. Smooth, glossy surfaces exhibit a few minor as struck reverse planchet pits. Toned a lovely chocolate-brown with what, at first glance, appears to be mint color in the obverse devices. Closer examination, however, reveals that the coin was ever so gently washed, perhaps as long as a century or more ago. (The catalog description from the September 1954 DuPont Sale describes this coin as having been "colored in the distant past"). Regardless of what may or may not have happened many years ago, the specimen offered here is truly of outstanding quality and is sure to be a highly prized addition to the fortunate collector who acquires it. ***(SEE COLOR PLATE)***

Ex Anderson DuPont Collection (Stack's, September 1954, Lot 4. No lot card included).

This compelling coin is at or near the low end of the condition census range and is arguably among the top six specimens known of the die variety.

Lot No. 495

495 **1793** S.5. Wreath. Vine and bars edge. Good 5 or better. Slight weakness at bottom of date, reverse legend nearly complete. An acceptable example of this highly sought after type.

LOVELY 1793 SHELDON 8 WREATH CENT

The Anderson DuPont Specimen

Lot No. 496
(Enlarged)

496 **1793** S.8. Wreath. Vine and Bars Edge. Extremely Fine-45. Uniformly toned a very pleasing chestnut-brown and virtually free of any evidence of granularity. Boldly struck on either side. The centers and peripheral detail are sharp and well defined. Despite a few trivial marks and planchet flaws, the surfaces are really quite exceptional. A splendid specimen, probably among the top dozen or so of this die variety. ***(SEE COLOR PLATE)***

Ex Anderson DuPont Collection (Stack's, September 1954, Lot 12. No lot card included).

A SECOND 1793 SHELDON 8 WREATH CENT

Lot No. 497
(Enlarged)

497 **1793** S.8. Another. Extremely Fine-45, and a very pleasing example of this popular first year type. The obverse is a light brown with some golden overtones. The reverse is mostly the same color, with a touch of darker brown-black in the right wreath branch. Most of Liberty's curls are sharp and separate on the obverse, while on the back the wreath shows detail at the top and most of the berries. The surfaces are mostly hard and porosity free. Some light obverse field marks are noted and a tiny reverse rim nick. Full obverse breaks as described by Sheldon; reverse diagonal break advanced and very noticeable. In a PCGS holder graded XF45 and noted "Vine and Bars." ***(SEE COLOR PLATE)***

U. S. DRAPED BUST LARGE CENTS

AMAZING DOUBLE STRUCK 1797 SHELDON 139 CENT

Lot No. 498
(Enlarged)

498 **1797** S.139. Reverse of '97, With Stems. Dramatically double struck 45 degrees in a counter-clockwise direction. Part of a second impression of the date and lower hair detail is boldly visible at the lower left obverse. There is also a double impression of Liberty's chin visible on her neck along with extra areas of denticulation at the periphery on either side. The reverse, likewise displays a double impression of part of the legend as well as remnants of additional leaf detail. Choice About Uncirculated-55 or better. Boldly struck with excellent hair and wreath detail. The color and surfaces are about as nice as one could possibly hope for. A smooth, glossy example with wonderfully well balanced, rich chocolate-brown patina. The condition census for this die variety lists three Mint State coins, an About Uncirculated-55, and two About Uncirculated-50 pieces. The specimen offered here is easily well within the condition census for this non-Nichols Find variety. ***(SEE COLOR PLATE)***

It is important to note that the double strike on this example is far more impressive than the "chatter" double strikes of this date which on rare occasions do surface.

499 **1800** S.211. Normal date. Very Fine-20. Minor porosity and encrustation present on both sides.

500 **1803** S.255. Small Date, Small Fraction. A strong Fine-12, perhaps better. Deep chocolate-brown toning on either side. The obverse rim is not fully struck up at right.

U. S. CLASSIC HEAD LARGE CENTS

HIGH GRADE 1810/09 LARGE CENT

Lot No. 501

501 **1810/09** S.281. About Uncirculated-50. Perfect tan obverse slightly deeper reverse. Well centered with a better than average strike and remarkably clear surfaces. A very desirable addition to any date or type set.

502 **1812** S.291. Small date. Fine-12. Planchet has some granularity. The obverse has a few old pinscratches.

503 **1813** S.293. Very Fine-20. Deep chestnut brown toning. Well centered, but with some planchet roughness in fields.

Lot No. 505

505 **1818** Newcomb 10. **Mint State-63** and still retaining considerable mint color in the protected areas of the design. Rich satiny underlying lustre with the usual scattering of minor spots.

506 **1844** N.6 (R-4). **Mint State-62.** Diagnostic die file marks are boldly visible at chin. Smooth surfaces are a pleasing reddish-brown. This coin is near the high end of the CQR Condition Census. NGC MS62BN.

U. S. SMALL CENTS

U. S. FLYING EAGLE CENTS

507 **1857 Very Choice Brilliant Uncirculated.** Light frosty red-gold lustre, the high quality of strike is demonstrated by distinct wing tip feathers on this virtual Gem. PCGS MS64.

508 **1857 Choice Brilliant Uncirculated.** Another boldly struck example displaying excellent feather and wreath detail. Satiny fields are complemented by a gentle swathe of golden toning.

509 **1857** Snow 1. Obverse style of 1856. The date is also noticeably repunched with the undertype readily visible under magnification at the '857'. **Brilliant Uncirculated** and with the initial appearance of a proof. Sharply struck on either side and exhibiting a bold, square edge. The fields exhibit reflectivity beneath light hairlines.

U. S. INDIAN HEAD CENTS

510 **1860 Choice Brilliant Uncirculated.** Superbly struck, with satin-like tan mint lustre. Delicate rose-lavender shades enhance the obverse, while the reverse has lovely blue-violet peripheral toning blending with a bright, lustrous center. This date is desirable as the first year of the classic Oak Wreath reverse on the Indian Head Cent. PCGS MS63.

511 **Starter collection of Copper-Nickel Indian Head Cents: 1860 Brilliant Uncirculated,** nearly Choice; **1862 Brilliant Uncirculated,** scattered tiny carbon flecks; **1863 Brilliant Uncirculated,** or nearly so; **1864 Brilliant Uncirculated,** nearly Choice. A fine grouping of dates, all with pleasing natural mint lustre. 4 pieces.

512 **1861 Choice Brilliant Proof.** Light red-gold lustre, sharply squared rims show an extruded metal flaw at right obverse. *One of only 1,000 proofs struck. Most seen are usually hairlined, the present coin a delightful exeeption.*

513 **1861** Choice About Uncirculated. There is a trivial obverse rim lamination at 12:00; **1898 Choice Brilliant Uncirculated.** Mint color accented by emerald and rose overtones. 2 pieces.

Lot No. 514

514 **1862 Choice Brilliant Proof.** Delicate golden toning, a sharp strike, and reflective fields characterize this specimen. There is a small reverse planchet split at 10:00 which travels along a portion of the edge. *Only 550 Proofs were coined of this date.*

515 **1862 Very Choice Brilliant Uncirculated.** A Gem save for a small verdigris spot on the '2' in the date. Superb satiny surfaces.

516 **1863 Brilliant Uncirculated.** Pretty tan natural color blends with glimmers of rose and sunset.

517 **1864** Copper-nickel. **Choice Brilliant Uncirculated.** Pleasing golden lustre, reverse shows notable doubling.

518 **1864** Bronze. **Brilliant Uncirculated.** Brown patina with just a hint of discoloration on the high point in the hair. A clean, problem-free specimen of bold beauty.

519 **1864-L.** Choice About Uncirculated. Attractive reddish brown natural toning, with a hint of mint red clinging to protected areas around the rims and devices. Designer Longacre's initial 'L' is boldly visible on the Indian's ribbon. There is a tiny, insignificant obverse rim cud near 12:00, mentioned for the sake of identification.

Lot No. 525

525 **1869/9** Snow 4. **Very Choice Brilliant Uncirculated.** Sharply struck. Immaculate medium brown surfaces retain a bright golden sparkle upon reflection in the light. Minor repunching is quite evident above the ball and at the top of the 9. Scarce this nice. PCGS MS64BN.

526 **1869/69** Snow 3. **Brilliant Uncirculated.** A lovely example of this popular recut date. Only a hairline at the throat from the Choice category. Nearly full mint red surfaces further enhance the desirability of this example of a key date.

Lot No. 527

527 **1870** Doubled Die reverse. Snow 2. **Choice Brilliant Uncirculated.** Nearly full mint red, with a touch of sunset toning. The characteristic reverse die break from the rim at 3:00 boldly extends downward through the wreath, and there is clear doubling of ONE CE and much of the wreath. A petite die crack from the rim at 1:00 to the upper right corner of the shield differs from that described by Snow. Here is wonderful example for the variety specialist.

528 **1872 Choice Brilliant Proof.** The first variety, with a tiny die scratch to the right of 'Y' of LIBERTY. Surfaces are attractive and fleck-free, retaining much original mint red blending with pretty blue and violet iridescence. It is an eye appealing example of this scarce date, *and one of an estimated 950 Proofs struck.*

529 **1873** Closed 3, **1874 Brilliant Proof.** Both have a somewhat hazy appearance over subdued mint red. Inspection suggested. **2** pieces.

530 **1874 Choice Brilliant Proof.** Repunched '4', bulging right pennant on 'T'. Lovely brown surfaces possess a worthy measure of mint red upon reflection in the light. *A mere 700 Proofs or thereabouts struck.* The offered example is considered to be the scarcer of two reported varieties.

531 **1877** Very Fine. Pleasing brown natural toning. Attractive surfaces. Softly struck at the headdress feather tip and the corresponding reverse position.

532 **1878 Very Choice Brilliant Uncirculated.** Here is a sharply struck red-brown Cent with fascinating contrast of light brown devices on largely red fields. PCGS MS64RB.

Lot No. 533

538 **1899, 1901, 1906 Very Choice Brilliant Uncirculated.** Nicely matched Cents display a wealth of fiery mint red. 3 pieces.

539 **1903 Gem Brilliant Uncirculated.** The full mint red surfaces are dramatized by a dash of rose at top obverse.

540 **1906 Gem Brilliant Uncirculated.** Blazing mint red drenches both sides of this late-date specimen. NGC MS65RD.

Lot No. 541

541 **1908'S' Choice Brilliant Uncirculated** and just a whisper away from a full Gem designation. The surfaces exhibit more than their fair share of satiny mint lustre. Rich mint color and a needle-sharp strike, further enhanced by a subtle blush of delicate lavender toning.

542 **1909'S' Brilliant Uncirculated.** Tan natural lustre blends with a glimmer of sunset. The reverse has some vertical olive toning streaks. Desirable as the final year of the design, as well as being a key San Francisco Mint issue.

543 **Partial set of high grade Flying Eagle and Indian Head Cents, 1857 to 1909.** Average grade About Uncirculated. Missing the following dates: both 1858 Flying Eagle varieties, 1864-L on ribbon, 1866, 1869, 1870, 1872, 1877, and 1909'S'. A few show evidence of cleaning, and the 1873 has been "whizzed." Noteworthy coins include: **1857** Choice About Uncirculated; **1865 Brilliant Uncirculated; 1875 Brilliant Uncirculated.** Prooflike. This attractive grouping is housed in a custom Capitol plastic holder. **49** pieces.

Lot No. 550

550 **1914'D' Brilliant Uncirculated** and on the cusp of Choice. A lightly cleaned specimen of this key date showing just a few light obverse marks that keep it from higher grade. The reverse is unmarked and boldly struck and some mint lustre remains.

Struck from the very late state of the reverse, the die forming a cud along the top of the scroll that covers T3 and has made neighboring ES OF appear weakly struck. 831 **1885'CC' Very Choice Brilliant Uncirculated.** Superb original mint frost, blending with a trace of champagne golden color at the peripherics. Remarkably attractive surfaces contribute to this coin's outstanding eye appeal.

BROADSTRUCK OFF-CENTER 1888 DOLLAR

Lot No. 839

839 **1888 Broadstruck Off-Center.** Very Fine. Broadstruck and about 10% off center. This rare error displays no right border, wide border at left. Deep gray toning is suffused with subtle rose. Close examination reveals a few rim bumps, one nick but this is still a highly acceptable example of the rare high-denomination errors of this era. Probably no more than a few dozen exist in any grade.

840 **1889 Choice Brilliant Proof.** A mirror brilliant bright white and untoned specimen. The fields are deep mirrors with full reflectivity. Liberty's head on the front and the eagle on the reverse are both lightly frosted. *Only 811 Proofs were struck.* A staple scratch on Liberty's cheek is noted. PCGS PR63.

841 **1889 Gem Brilliant Uncirculated.** An attractively toned example, with traces of pale sea-green over full mint lustre.

842 **1889 Very Choice Brilliant Uncirculated.** Another. Deep mint frost. Surfaces are nearly mark-free, allowing this coin full Gem classification if it had a sharper strike. The hair above Miss Liberty's ear and the eagle's breast feathers each lack solid definition.

843 **1889'CC'** Fine. Surfaces show minor scuffing and there are obverse discoloration spots. This rare issue is highly sought in circulated condition due to the prohibitive cost of high grade examples.

Lot No. 844

844 **1889'O' Very Choice Brilliant Uncirculated.** Well struck. Excellent original mint frost. It is a delightful example and quite scarce this nice.

845 **1889'O' Brilliant Uncirculated,** with claims to a higher grade. Another. Intense mint lustre radiates from this gorgeous coin.

848 **1890 Gem Brilliant Uncirculated.** Another. Here is a superb, brightly lustrous example struck from worn dies, cracked at base of DOLLAR.

849 **1890 Choice Brilliant Uncirculated.** A third. Nicely toned in mottled shades of sunset, ice blue, violet and champagne gold.

850 **1890'CC' Choice Brilliant Uncirculated.** Delightful frosty lustre, trace of toning below Liberty's ear.

851 **1890'O' Choice Brilliant Uncirculated.** Mostly well struck, though still lacking full definition at the eagle's breast feathers and the hair strands above Liberty's ear. Full mint frost provides a lovely appearance.

852 **1890'S' Gem Brilliant Uncirculated** or nearly so. Semi-prooflike surfaces on the obverse with a touch of tan, the reverse essentially bright.

853 **1891 Very Choice Brilliant Uncirculated.** Satiny lustre reveals a few tiny tics under a glass.

Lot No. 854

854 **1891'CC' Choice Brilliant Uncirculated.** Blazing mint lustre, enhanced by a touch of delicate golden peripheral toning on both sides. Well struck, with no major marks. Exceptional eye appeal.

SUPERB GEM 1892 MORGAN DOLLAR

Lot No. 856

856 **1892 Gem Brilliant Uncirculated.** Well struck. Soft natural mint frost is smooth and satiny, showing minimal surface blemishes, thereby justifying this coin's place in the coveted Gem classification. Like nearly all dates of this era, a combination of poor strike quality and abundant bagmarks result in solid Gem examples being seldom obtainable. Here is a happy exception which is sure to create a stir among Morgan Dollar specialists, as it is truly a premium coin. PCGS MS65.

857 **1892** About Uncirculated, dipped at one time; **1898'O', 1899'O' Choice Brilliant Uncirculated,** near Gem. First shows light circulation, companions display a trace of clear gold. 3 pieces.

860 **1892'O' Brilliant Uncirculated**, nearly Choice. Another. Well struck for the issue. Scattered obverse marks, with an especially attractive reverse.

861 **1892'S'** Choice Extremely Fine; **1896'O'** Choice About Uncirculated. Lightly circulated coins, the second sporting clear gold deepening at the rims. **2** pieces.

Lot No. 863

Lot No. 864

864 **1894'O' Very Choice Brilliant Uncirculated,** a whisper from full Gem status. Sparkling silver lustre laves both obverse and reverse on this altogether extraordinary New Orleans Dollar. IMPORTANT MINT STATE 1895'O' DOLLAR

Lot No. 865

865 **1895'O' Brilliant Uncirculated.** Rich cartwheel silver lustre is undeterred by scattered bagmarks on this specimen of one of the most elusive of all New Orleans dates.

Lot No. 866

868 **1896'O' Brilliant Uncirculated.** Delightful mint lustre. A few marks from the Choice category. An attractive example of an especially elusive coin in Mint State.

869 **1896'O' Brilliant Uncirculated.** Another. Lustre has a somewhat "washed out" non-original appearance. The head of Miss Liberty has been refrosted with consummate skill, no doubt to conceal blemishes on her cheek. Nevertheless, this issue is a well known scarcity, and worthy of a place in a proudly assembled Morgan Dollar collection.

Lot No. 870

870 **1896'S' Brilliant Uncirculated.** Satiny mint lustre. A tough date in Mint State.

871 **1897'O' Brilliant Uncirculated.** Palest violet with a touch of clear gold contribute high visual appeal. A scarce and popular date.

872 **1897'S' Choice Brilliant Uncirculated** or better. The obverse awash in vivid autumn tones of deep mauve, gold and sea-green, the reverse in pale gray and gold.

874 **1899 Very Choice Brilliant Uncirculated.** Wonderfully smooth cheek and fields show silver-white beauty.

875 **1899 Choice Brilliant Uncirculated.** A second example of this date, frosty silver-white.

883 **1902'O', 1904'O', 1921'D'** (2). **Brilliant Uncirculated** to **Choice Brilliant Uncirculated.** The latter pair is hairlined. A lustrous quartet. **4** pieces.

U. S. PATTERN COINS

EXTREMELY RARE 1838 GOBRECHT HALF DOLLAR

Lot No. 1083

1083 **50¢ 1838 J.80.** Silver. Reeded Edge. 193 grains. (High R-7). One of perhaps as few as four pieces known to exist. **Choice Brilliant Proof** and nearly worthy of a full Gem designation. A peripheral halo of iridescent lilac-green and gold on either side highlights wonderfully reflective fields. There is some softness of strike at the centers as is characteristic of the tiny number of known pieces of this design. This design is attributed to Christian Gobrecht and generally believed to have been struck circa 1858 or later. (All known pieces are of a weight ranging between 191 and 193 grains, consistent with the known weights of purported restrikes of similarly designed 1838 pattern Half Dollars. Originals of these similar designs generally have a weight in the range of 206 grains. Of the paltry number of this issue known to exist, the piece offered here is certainly a candidate for **finest known.** ***(SEE COLOR PLATE)***

Ex Anderson DuPont Collection (Stack's, November 1954, Lot 2415. No lot card included).

Collectors of Gobrecht Dollars inevitably discover the Gobrecht Half Dollar pattern issues and realize that this is a logical means by which to expand their collection. Here is a rare opportunity to acquire a high grade example of one of these important coins!

Of the dozen or so examples of this rarity estimated to exist, the specimen offered here is clearly among the finest. ***(SEE COLOR PLATE)***

1087 **50¢ 1877 J.1539.** Copper. Reeded Edge. (High R-7). **Choice Brilliant Proof** with claims to the Gem category. Lovely mint color mellowing to a rich orange-red. There is some microscopic speckling, primarily on the obverse which does not materially affect the visual appeal of this specimen. This excessively rare pattern was listed by Judd as R-8 although it is more reasonable to estimate the surviving population to be more on the order of around a handful of pieces. ***(SEE COLOR PLATE)***

Ex Anderson DuPont Collection (Stock's, November 1954, Lot 2480. No lot cord included).

The yeor 1877 is of the utmost importance to pattern eolleetors. It is universolly recognized as having been the most prolifie yeor in terms of the number of new designs produeed. Furthermore, many of these designs ore omong the most ornate and oesthetieally pleasing in the entire pattern series. Witli many of these potterns having been produeed by sueli notables as George T. Morgan, Anthony Paquet, and William Barber, this should eome as no surprise. Of more signifieonee, however, is the rority of eaeh of these designs. With most of these pieees beoring rarity levels of ot least R-7, assembling anything elose to o eomplete collection of this dote would be quite a task indeed!

U. S. GOLD COINAGE

U. S. GOLD DOLLARS

U. S. TYPE I GOLD DOLLARS

Lot No. 1088

1088 **1849'C'** Closed Wreath. Extremely Fine. Bright yellow gold in color. Akers reports that 1849'C' Closed Wreath type is "...the second rarest of all gold dollars..." in terms of grade. The obverse and reverse surface of this piece both have a matte-like, somewhat unnatural appearance. *Only 11,634 were struck.* Some hairlines on both sides, tiny field mark outside upper left wreath arm.

A PAIR OF HIGH GRADE 1849'D' GOLD DOLLARS

Lot No. 1089

1089 **1849'D' Brilliant Uncirculated.** Well struck which is atypical for the date. The hair, stars, and legend are fully struck up. The coin exhibits a mustard yellow gold color which in part is due to an old cleaning. *Only 21,588 were struck.* Popular as the first year of issue from this Southern Mint.

Lot No. 1090

1090 **1849'D'** Choice About Uncirculated. Another. Open wreath, as seen on all known. Medium golden yellow and brown gold in color, with some coppery toning on both sides. The coin is bright around the rims, with some original mint lustre still showing there. Well struck, with good detail remaining on both sides and a fully struck mintmark. PCGS AU55.

1091 **1849'O' Brilliant Uncirculated,** nearly Choice. A very scarce, nearly rare date in this high grade. Most 1849'O' Gold Dollars are Very Fine to Extremely Fine in grade, as Dave Akers notes. The obverse is extremely bright and sharp with full lustre showing. The reverse is somewhat more moderate in brightness, with some softness showing on the numerals '49' in the date. First year of issue of the denomination from the New Orleans Mint. NGC MS61.

1092 **1851 Brilliant Uncirculated** with claims to Choice. Sharply detailed with full LIBERTY, boldly lustrous.

RARE 1851'D' GOLD DOLLAR

Lot No. 1093
(Enlarged)

1093 **1851'D' Brilliant Uncirculated,** nearly Choice. A rare coin in far better than average condition, one of *only 9,882 struck*. Akers noted that the "average" 1851'D' Gold Dollar graded Extremely Fine-40. Breen wrote that this date was extremely rare in About Uncirculated or better grades. This example is bright yellow gold in color. Considerable original mint lustre can be seen around the peripheries. Both the obverse and reverse were sharply struck save for areas of Liberty's hair in back of her ear. Reverse die clashed, with incuse obverse stars showing. There is a heavy reverse die break from the rim at 12:15 down through the peak of '1' in the date, paralleling the left side of that numeral. Another break can be seen from the right rim at 3:30 running into the center of the coin. NGC MS62. ***(SEE COLOR PLATE)***

1094 **1851'O'** About Uncirculated. Splendid Branch Mint strike boasts a sharply defined 'O.' Akers calls this "two to three times as rare" as Philadelphia Type I coins.

1095 **1852** About Uncirculated or better. Pleasing strike and lustre distinguish this Type I coin.

1096 **1852** About Uncirculated. Another, with very faint wear, mark on cheek.

1099 **1853'O'** Choice About Uncirculated. Nearly Mint State. Pale yellow gold in color with nearly full mint lustre showing. Full obverse sharpness, the reverse softly struck on the lower right portion of the wreath. A few light surface hairlines are noted. PCGC AU58.

1101 **1854 Brilliant Uncirculated** and close to Choice. Another. Handsome red-gold mint frost creates bold beauty.

1103 **1854'S'** Choice About Uncirculated. Nicely toned light coppery gold in color. Original mint lustre can be seen around the peripheries. There is a hidden obverse scratch at left near the rim. 1111 **1855** Extremely Fine to About Uncirculated. A third. Lightly circulated and struck from clashed dies.

RARE 1855'C' GOLD DOLLAR

Lot No. 1112

1112 **1855'C'** Extremely Fine. A rare date with *only 9,803 struck.* This example is much nicer than the 'average' reported by Dave Akers, which was only a Choice Very Fine coin. Both sides of this specimen are medium yellow gold in color. Sharply struck in places, an unheard of feature on 1855'C' Gold Dollars. The feathers at the back of Liberty's crown and even her lowest curls show inner details. The planchet surface is very irregular in appearance, with some roughness visible on both sides. This is rather typical of the date and issue. The obverse die was broken at top, with a clear bulge visible near the rim between TES OF. PCGS XF40.

TWO PLEASING 1855'O' GOLD DOLLARS

Lot No. 1113

1113 **1855'O'** Choice About Uncirculated. Bright yellow gold in color and well struck for the issue. Considerable original mint lustre can still be seen on both sides. NGC AU55.

Lot No. 1114

1114 **1855'O'** About Uncirculated or finer. Another. Bold New Orleans mintmark, a hint of planchet waviness identify this attractive Branch Mint issue.

HIGH GRADE 1856'S' GOLD DOLLAR

Lot No. 1115

1115 **1856'S'** Choice About Uncirculated, nearly Mint State. A very high grade for this issue, which is usually found heavily circulated. Both sides are very bright yellow gold in color. The obverse and reverse surfaces both show some reflectivity. Well struck, with some detail showing in Liberty's hair curls under the crown. On the reverse, most feathers show inner details. The wreath is a trifle soft on the lower right but all its details show and most are bold. The obverse die was broken from the rim alongside 'U' to Liberty's neck and from the rim through the 'E' in AMERICA to the back of the crown. The reverse die had clearly clashed at least once. NGC AU58.

U. S. TYPE III GOLD DOLLARS

1116 **1856 Choice Brilliant Uncirculated** and approaching Gem quality. Deep red-gold presents tawny beauty in addition to a bold strike.

Lot No. 1117

A SUPERIOR GRADE 1857'C' GOLD DOLLAR

Lot No. 1118

1118 **1857'C'** About Uncirculated. A far better grade than this issue is usually seen in. Most survivors from the small mintage grade Very Fine, or so. *Only 13,280 were struck.* This example is a medium yellow gold in color with some coppery overtones. The planchet surfaces are rough in places, just like those on the 1855'C' offered above and the majority of other 1857'C' Gold Dollars known. The coin is bright on both sides. There is good sharpness of detail for this issue, with most definition showing in Liberty's curls, the feathers in her crown, and on the leaves of the wreath. NGC AU50.

Lot No. 1119

1119 **1859 Brilliant Uncirculated.** Mint frost beneath nice satin surfaces. Strong obverse strike. Some weakness about the rim at 12:00 on the reverse.

Lot No. 1120

1120 **1859'D'** About Uncirculated. Both sides are bright yellow gold in color. The surfaces have a somewhat unnatural appearance. *Only 4,952 were struck.*

1121 **1860'S'** Choice About Uncirculated. Deep coppery gold in color. The original mint lustre is subdued but present in protected areas. There is nearly full sharpness visible on both sides. 1122 **1862** About Uncirculated. Light obverse scratches.

U. S. THREE DOLLAR GOLD

OUTSTANDING 1854'D' THREE DOLLAR GOLD

The Rarest Date $3.00

Lot No. 1187
(Enlorged)

1187 **1854'D'** About Uncirculated. An **extremely rare** issue, one of *only 1,120 struck*. Outstanding quality for this Dahlonega Mint coin, which is usually found, when it is found at all, only in Very Fine condition. This piece is far nicer than most seen and may rank among the finest. Both sides have good, rich, deep yellow gold color. There are actually traces of original mint lustre visible in the protected areas of both sides. The coin is remarkably free from signs of careless mishandling or heavy circulation marks. Usual quality of strike, with Liberty's hair on the obverse and the highest points of the reverse wreath soft, as typical from this mint. 1854 was the only year the Dahlonega Mint struck the Three Dollar Gold denomination. The dies were shipped south from Philadelphia on June 19, 1854. All the 'D' Mint $3 Gold Pieces were struck in the heat of that summer, during the month of July. The 1854'D' also has the distinction of being one of only two Southern $3 issues (see the next lot for the other). NGC AU50. ***(SEE COLOR PLATE)***

RARE 1854'O' THREE DOLLAR GOLD

Lot No. 1188

1188 **1854'O'** About Uncirculated. A very scarce date in almost any grade. In About Uncirculated, as here, the 1854'O' is quite rare and tough to find. Both sides of this piece are medium yellow gold in color. There are faint traces of lustre in the protected areas of the obverse, principally around the rim. There is a shallow planchet irregularity in the upper left obverse field. Softly struck, as expected from this mint. *Only 24,000 were struck.* Reverse die broken from right ribbon tip to rim at 4:45. This is the only year the New Orleans Mint struck the Three Dollar Gold Piece. The 1854'O' is also one of only two Southern $3 issues. NGC AU50.

1189 **1855** Choice About Uncirculated. Boldly lustrous fields show effects of bag storage and shipment. ANACS Cache AU55.

HIGH GRADE 1856'S' THREE DOLLAR GOLD

Lot No. 1190

1190 **1856'S'** Choice About Uncirculated, nearly fully Mint State. Quite a rare coin in this grade. David Akers has noted that the 1856'S' "...ranked third overall in rarity according to average grade...." The average grade Akers found for the 1856'S' was only Very Fine. This specimen is a bright and attractive rich yellow gold in color. Typical obverse sharpness for the issue, with Liberty's hair softly struck. The reverse is much sharper, as expected, with considerable detail visible in the leaves of the wreath. There is a small dent between ED on the obverse and some hairlines on both sides. Well worth a closer inspection as this date is well above what is normally offered. NGC AU58.

1191 **1878** About Uncirculated. Much sparkling lustre complements a bold strike.

1192 **1878** About Uncirculated. A second example of this date showing similar high quality.

U. S. HALF EAGLES ($5.00 GOLD)

U. S. CAPPED BUST RIGHT, HERALDIC EAGLE HALF EAGLES

OUTSTANDING 1807 HALF EAGLE

Lot No. 1193
(Enlarged)

1193 **1807** Breen 4-C (R-5). Large Date. Choice About Uncirculated. Bold double peak on 1, doubled 0 in date identify this major variety. This reverse is especially appealing with its unusually rich frosty yellow lustre. Shield shows some relatively unobtrusive adjustment marks and a glass reveals light die rust in the obverse field and bust from storage in the humid Philadelphia summer. In addition to rarity and visual appeal, this coin is an historical document of the early U.S. Mint. NGC AU58. ***(SEE COLOR PLATE)***

U. S. CAPPED BUST, LEFT HALF EAGLES

GLORIOUS 1807 HALF EAGLE

Lot No. 1194
(Enlarged)

1194 **1807** Br.5-D. **Brilliant Uncirculated,** nearly Choice. Sharply struck throughout. Surfaces retain a frosty original appearance blending with a pretty irideseent glimmer of rose, light green, and sunset upon reflection in the light. Contact marks are minimal, accompanied by a few trivial hairlines which keep this coin from a higher classification. Nevertheless, it is a premium example with visual appeal surpassing many graded higher. PCGS MS62. ***(SEE COLOR PLATE)***

This classic Capped Bust Left, designed by John Reich, was used only from 1807 to 1812 on Half Eagles, and only in 1808 on Quarter Eagles. No other gold coinage bore this design. Its short period of implementation accounts for its extreme popularity among type collectors, and the relative scarcity today, particularly in Mint State.

U. S. CLASSIC HEAD HALF EAGLES

SPLENDID 1836 HALF EAGLE

Lot No. 1195

1195 **1836 Brilliant Uncirculated** with the look of fully Choice. Glorious light green-gold lustre drenches both sides of this coin. A hairline or two, but this coin is by no means "softly struck on the hair curls around the face" as Akers writes is common for the date.

1196 **1836** Another. Extremely Fine. A pleasing specimen, with considerable mint lustre around the protected areas of both sides. Both sides are a nice, pale yellow gold in color.

GORGEOUS 1837 HALF EAGLE

1197 **1837 Brilliant Uncirculated** or slightly better. Single forelock identifies "Head of 1835," tall '1' in date identify this bold variety. Gleaming clear gold mint frost shows abundant reflective appeal.

HIGH GRADE 1838'C' HALF EAGLE

Lot No. 1198
(Enlarged)

1198 **1838'C'** Choice Extremely Fine. A very high grade for this issue, which is usually found only in Very Fine. In all his research, for example, David Akers noted that he had seen only two 1838'C' Half Eagles that graded better than Extremely Fine. Both sides of this specimen are a nice medium yellow gold in color. The obverse and reverse both show decent sharpness for the grade. *Only 17,179 were struck.* Some hairlines are noted. First year of issue of the denomination from the Charlotte Mint. The only year the Charlotte Mint struck the Classic Head type Half Eagle. The second rarest date of the type. NGC XF45. ***(SEE COLOR PLATE)***

EXEMPLARY 1838'D' HALF EAGLE

Lot No. 1199
(Enlarged)

1199 **1838'D'** Choice Extremely Fine. A solidly collectible grade for this issue. This example is one of the nicest of this grade we have handled in recent years. Both sides are bright yellow gold in color. The surfaces show some reflectivity. The rims are typically soft but there is very decent central sharpness to the strike. *Only 20,583 were struck.* First year of issue of the denomination from the Dahlonega Mint. The only year the Dahlonega Mint struck the Classic Head Half Eagle type. The third rarest date of the type. PCGS XF45.

U. S. LIBERTY HEAD HALF EAGLES ($5.00 GOLD)

EXTREMELY RARE HIGH GRADE 1839'C' HALF EAGLE

Lot No. 1200
(Enlarged)

1200 **1839'C'** Choice About Uncirculated. **Extremely rare** in this magnificent condition. David Akers noted that the average specimen he had seen was only a Very Fine coin. *Only 17,205 were struck.* Both sides of this piece are a very bright yellow in color. Unlike most others known, the central details on the obverse and reverse are sharp and well outlined. The surfaces are typical for this Charlotte Mint issue, with a flan flaw on the obverse between the 5th and 6th stars. Some hairlines are noted. First year of issue of the type from the Charlotte Mint. NGC AU55. ***(SEE COLOR PLATE)***

MAGNIFICENT 1839'D' HALF EAGLE

Lot No. 1201
(Enlarged)

1201 **1839'D'** Choice About Uncirculated, nearly Mint State. Outstanding condition for this scarce issue, most known are Very Fine to Extremely Fine. *Only 18,939 were struck.* In almost every respect, this is a very pretty little coin. Both sides are a nice, medium yellow gold in color. The surfaces are remarkably free from serious handling marks. There is solid sharpness in the details on both sides. Some light reflectivity in the fields show how well this piece was struck. First year of issue of the type from the Dahlonega Mint. NGC AU58. ***(SEE COLOR PLATE)***

HIGH GRADE 1840'C' HALF EAGLE

Lot No. 1202

1202 **1840'C'** Choice Extremely Fine. The average 1840'C' Half Eagle grades Choice Very Fine. *Only 18,956 were struck.* Both sides are a deep yellow gold in color. Lot No. 1204

1204 **1841'C'** Choice Extremely Fine. Bright, pale yellow gold in color giving the coin a nice appearance. *Only 21,467 were struck.* The surfaces are clear and free from important signs of mishandling, just some light scratches by the eagle's beak. Both sides show broad rims. NGC XF45.

OUTSTANDING 1841'D' HALF EAGLE

Lot No. 1205

1205 **1841'D'** About Uncirculated. An outstanding specimen, far nicer than the average 1841'D' seen. The vast majority of the survivors of this date grade Choice Very Fine and lower. *Only 29,392 were struck.* Both sides are an attractive greenish yellow gold in color. The surfaces are free from serious mishandling marks. The obverse die used to strike this coin had already seen heavy duty. The die is broken across from 12:00 to 6:00 from rim to rim. Another break runs from the rim to the 5th star to Liberty's forehead, her eyebrow, and then connects to the first break. A third one runs from the rim to the 11th star to the back of Liberty's head and then joins the first break. NGC AU50.

A PAIR OF HIGH GRADE 1844'O' HALF EAGLES

Lot No. 1206

1206 **1844'O'** Choice About Uncirculated, nearly mint state. A very high grade for this scarce issue. *364,600 were struck,* most of which seem to have been melted since the date is tough to find, today. Both sides are bright yellow gold in color. There is nearly full lustre on the obverse, while the lustre is complete on the reverse. Both sides are fully struck with attractive sharpness. The reverse is bisected by a long die break running from the rim right of 'U' to the leaves, wing, beak, 'ES', and thence to the rim. NGC AU58.

1207 **1844'O'** About Uncirculated. Another. This lightly cleaned specimen boasts a meticulously detailed strike, scattered surface tics.

1208 **1849'D'** Choice Extremely Fine. David Akers called this "...a very rare date in all grades...." *Only 39,036 were struck.* Bright yellow gold in color. Both the obverse and reverse surfaces are remarkably clean and free from heavy marks. Softly struck in the centers, as usual. NGC XF45.

1209 **1852'C'** About Uncirculated. *Only 72,574 were struck.* Both sides of this piece are a pale yellow gold in color. The obverse is scratched in the left field.

1210 **1856'S'** About Uncirculated, nearly Choice. *Only 105,100 were struck.* A very high grade for an issue Akers said he had seen only four times in grades higher than Extremely Fine. The coin is a rich yellow gold in color. Both sides show exceptional lustre for the grade. Short, mint made obverse flaw in the left field, principally under Liberty's chin. NGC AU53.

POPULAR 1858'C' HALF EAGLE

Lot No. 1211

1211 **1858'C'** Choice About Uncirculated. On the cusp on full Mint State, this partially lustrous Charlotte coin is well ahead of Akers' average grade of Choice Very Fine. A pleasing type coin from this popular Southern Mint.

1212 **1861** About Uncirculated. Boldly struck, close study reveals a couple of obverse scratches.

THE EXTREMELY RARE 1875 HALF EAGLE

A Classic U. S. Gold Rarity

Lot No. 1213
(Enlarged)

1213 **1875** About Uncirculated. **A Classic US Gold Rarity. Extremely rare:** there are probably fewer than six business strikes known, today, and that number may be as low as only five known. *Only 200 Half Eagles were struck* at the Philadelphia Mint in 1875. Most of those were spent or melted and have been lost to future generations of collectors. Any auction appearance of an 1875 $5 is cause for numismatic note. So rare is the date that many collectors have never even seen a specimen. In fact, business strike specimens, which were originally made for circulation, are rarer than the Proofs of this date, which were made for collectors. This example is pale golden yellow in color. There are attractive vestiges of original mint lustre and brightness in the protected areas of both sides, especially around the rims. Liberty's features are fully struck up and all the detail still remains in her hair. On the reverse, the eagle's feathers are sharp and both the horizontal and vertical shield lines are bold and separate. This example is certainly **One of the Finest Known**. It is actually graded higher than both of the Diocese of Rochester specimens sold in 1997, the most recent sale records we have. The year 1875 is an important one in U. S. numismatics, for the mintage figures of five of the six gold denominations sank to some of the lowest levels of any time in our nation's history. Only 420 Gold Dollars and Quarter Eagles were struck, the 1875 Three Dollar Gold was struck as a Proof only issue this year with a mere 20 made, a mere 200 Half Eagles were struck, and only 120 Eagles were minted. PCGS AU50. ***(SEE COLOR PLATE)***

Starting in 1862, the mintage of Half Eagles at all mints except for San Francisco showed a steady decline. In fact, 1861-1875 mintage figures suggest that the Mint considered the Half Eagle to be a subsidiary gold coin. There were occasional peaks in the output, notably those of 1861 and 1873, but generally speaking the Philadelphia Mint's production of Half Eagles was low throughout the years from 1862 to 1877. In 1878 mintage of the denomination rose to moderate levels, but those were still lower than the output of 1856, 22 years earlier. It was only in 1880 that mintage exceeded one million.

Lot No. 1214

1214 **1880'CC'** Choice About Uncirculated. This coin displays a high grade for a Carson City date normally found well circulated. Some light hairlines appear on partially lustrous surfaces. The Eliasberg example was AU50, the James A. Stack coin, Extremely Fine.

1224 **1894'O' Brilliant Uncirculated.** Attractive surfaces and lustre, with a hint of russet peripheral toning. This date represents the final year in which Liberty Head Half Eagles were struck at the New Orleans Mint. *A scant 16,000 were coined.*

1225 **1895 Brilliant Uncirculated,** or nearly so. Surface marks are trivial.

1226 **1899 Brilliant Uncirculated.** Free of hairlines or friction. If not for light contact marks on Liberty's cheek, this attractive coin would be Choice.

Lot No. 1251

1251 **1909'O'** About Uncirculated, nearly Choice. Both sides are a pale yellow gold in color. Original mint lustre can be seen in the protected areas. The 1909'O' has the distinction of having the lowest mintage in the Indian head series. *Only 34,200 were struck*, a minuscule mintage for a modern, 20th Century U.S. mint. PCGS AU53.

U. S. EAGLES ($10.00 GOLD)

U. S. CAPPED BUST, SMALL EAGLE REVERSE EAGLE

MAJESTIC 1795 EAGLE

Lot No. 1273
(Enlarged)

1273 **1795** Breen 2-A. 13 Leaves Below the Eagle. A strong About Uncirculated example of this **rare** and important type coin. Rich yellow-gold surfaces are complemented by reflective fields and frosty devices. There are a few inconspicuous scattered hairline scratches on either side as well as some subtle adjustment marks at the central obverse. The coin is otherwise quite wholesome and the "arm's length" appearance is really very satisfying. ***(SEE COLOR PLATE)***

As collectors continue to become more conscious of the relative rarity of many of the early type coins vis-a-vis their later date counterparts, it is highly probable that the demand for such issues will enjoy even further expansion.
